Grawemeyer Award for Music Composition Karen R. Little,Julia Graepel,Scott R. Adams,2007-01-16 The University of

Louisville's annual Grawemeyer Award for Music Composition is the largest monetary award offered in its field. The international prize is offered for outstanding achievement by a living composer in a large musical genre such as choral, orchestral, chamber, electronic, song cycle, dance, opera, musical theater, or extended solo work. Since the award was first offered in 1985, the Dwight Anderson Memorial Music Library, one of the largest new music collections in North America, has housed the competition submissions. In order to keep an accurate listing detailing the holdings of this collection, this catalog was developed. Grawemeyer Award for Music Composition: The First Twenty Years catalogs every submission for this prestigious award, offering complete information on all the competition submissions, including title, composer, format, length, instrumentation, and information on where to find or purchase the composition. The bulk of the catalog is listed alphabetically by composer so that users can learn whose works were submitted over the 20 years covered by the award. The additional appendixes provide the opposite perspective: a year-by-year glance at the award and those who submitted works each year. Concluding with an index, this catalog increases awareness of this collection and acknowledges the work of these important composers and their consequence to recent music history.
