Amber S Haunting:

Amber's Haunting Kathy Stone Amrhein, 2013-11 I hope everyone who reads this book realizes ghosting hunting is not all fun and games Yes it s great to go out and find hauntings with friends and its exciting when you get your first EVP or photo But there is another side to the paranormal a darker side that you don t think about until it s there This is what happened to our team Someone needed help and we were there we wanted to help What we expected was your typical human haunting and what we got was something else something evil something predatory and something that could follow you home This is the other side of the paranormal Where there is good there is also bad and what we walked into was something bad It was something we didn t expect and it was something we were not prepared for **Ambers Journal/Diabl**
