

I love the sky, stars, moon, sun, and all the universe. Every night I speak with the stars and they speak with me. I don't know what they tell me, but when they wink to me I think it means "Be happy and enjoy your life and be kind toward every thing."

My dream job is to be an astronaut. It is a unique and wonderful job. It is hard work and people think that it is impossible for a woman to be an astronaut. But I want to do hard work. I want to do the work that others can't. I want to do impossible jobs and change impossibilities to possibilities. I want to show that girls and women are not weak and they can do whatever men can.

We can get what we wish. We people think that only Earth is in the universe. We think so small. We are jealous of each other. We think how if some people were not on Earth, we'd have more places for ourselves. When we are all crowded together we don't see each person's

Ambition In Life Become Astronaut Essay:

Storms in Space Nathan Benachum,2003-10-06 **InkShard: A Compendium of Essays** Eric Muss-Barnes,2019-06-16

InkShard is a compendium of articles and social commentary written by author Eric Muss Barnes between 2004 and 2018 Revised and expanded this volume assembles various topics culled from posts on social media websites to the scripts of video essays Carefully compiled from the finest of his journalistic work InkShard represents the definitive collection of Eric s most compelling dissertations and beloved editorials *A Thing Beyond Forever* Novoneel Chakraborty,2019 Some love stories are soul stories Dr Radhika Sharma is what girls of today aspire to become educated financially independent and a woman of substance But within she is a broken person who is yet to come to terms with her past her first love Raen s sudden death In comes a nine year old patient under her treatment who is not only infatuated with her but also keeps asking her non stop questions One of those questions leads her to open Raen s personal diary By the time she finishes reading the diary Radhika finds an uncanny similarity between Raen and the young patient She finds herself in the middle of an unusual situation One after another shocking truths emerge which push her to question if an unexplained attraction is the missing link between souls *A Thing Beyond Forever* is a pristine love story which digs deep into human emotions and explores the complexity of it in a soul stirring manner **The Rationale of the Essay** ,1971 **Exploring Ethnography of Outer Space** Jenia

Gorbanenko,David (Jeeva) Jeevendrampillai,Adryon Kozel,2025-01-31 This book explores new methods and perspectives in the anthropology of outer space For the past ten years scholarship of outer space has grown significantly in the social sciences Now an international community of anthropologists is starting to produce significant contributions to this work This is pushing the conversations around the future of humanity technology and outer space beyond the realm of speculative theory into concrete challenges to established norms within anthropology Each chapter in this volume introduces a unique take on what constitutes an ethnographic field in anthropology They signal a re imagination of the central concept for the discipline and offer a timely meditation on the shift in anthropology s understanding of fieldwork from its inception until now The volume consists of eleven ethnographic chapters plus an introduction by the editors and two invited responses Each of the main body chapters presents a distinct approach to situating outer space empirically on Earth By bringing together emerging and established scholars this book ultimately posits that an anthropological approach to outer space requires creative approaches to ethnography that are no longer exclusively premised on a co presence with the people under study A primer of innovative ethnographies and an ideal companion to courses on methods this volume will provide students with a body of accessible contemporary work on futurisms and outer space In addition this book will serve as a snapshot of a moment in ethnographically innovative anthropology that will be relevant to a wider academic audience through its exegesis of new methods for the study of distributed communities The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives
