Teaching the Anti-Essay Wesley Phillipson, 2025-10-07 Teaching the Anti Essay helps secondary school English Language Arts ELA teachers introduce literary nonfiction and creative nonfiction essay writing to their students demonstrating how writing is a fun and engaging activity where students can see tremendous value in thinking on paper Meaningful essays are also by default analytical This book offers English teachers and their students 18 different essay prompts that challenge student writers to take calculated risks on paper leading to essays that students can write and want to write allowing them to add something new to the conversation in the process Each chapter explores a unique essay prompt along with rationale the targeted skills teacher models student models and reflections The book is intended to be a tool for change in the English classroom at large by motivating students through tried and tested prompts demonstrating that anyone can write like a journalist a professional blogger a creative nonfiction essayist becoming an author with one s own voice and style This is a

great resource for in service middle school and high school ELA teachers and beyond **Literature and Learning** Stefan Collini, 2025-03-05 The study and teaching of English literature is generally regarded as one of the central disciplines in the modern university yet for much of its history it struggled to gain academic legitimacy and was frequently derided as a soft option Its early professors responded by emphasizing its scholarly character foregrounding philology and literary history in ways that marked the syllabus far into the twentieth century Stefan Collini provides here the first full account of the discipline s development from its late eighteenth century beginnings up to the early 1960s Paying special attention to institutional settings he challenges numerous assumptions about the character of universities in the nineteenth and early twentieth centuries From the detailed exploration of syllabuses exam papers and other institutional records the impact of literary criticism is revealed to be later and more partial than is commonly assumed Rather than seeing the early teaching of English literature as a substitute for religion or a means to soften class conflict Collini emphasizes the role of ideals of learnedness and scholarship as well as of external factors such as opportunities for employment in the civil service and secondary school teaching There are full discussions of the parts played by such figures as John Churton Collins A C Bradley George Saintsbury and Walter Raleigh together with sceptical analyses of the decisive significance usually attributed to Matthew Arnold T S Eliot I A Richards and F R Leavis Separate chapters are devoted to neglected aspects of the story such as the role of Classics the importance of the subject for women s higher education and the connections with English teaching in schools Drawing on extensive use of institutional archives and records as well as the writings of contemporary participants the book offers a vivid and wide ranging history of English as discipline and its centrality across academic literary cultural and educational life over the past two hundred years as well as a resounding testament to its continued importance and relevance today **The Psychology of Classroom Learning** John Mortimer Stephens, 1965 Stories from Trailblazing

Women Lawyers Jill Norgren, 2018-05-22 History told through the words of one hundred groundbreaking female lawyers

Their stories are both a window into the past and a beacon for the future Virginia G Drachman author of *Sisters in Law* In 1950 Harvard Law School began to admit women But for those wanting to enter the profession the terms of engagement were clear Only a few women would be admitted each year to American law schools and after graduation their opportunities would never equal those open to similarly qualified men At many law schools well into the 1970s men told female students that they were taking a place that might be better used by a male student who would have a career not babies In 2005 the American Bar Association's Commission on Women in the Profession initiated a national oral history project named *Women Trailblazers in the Law* One hundred outstanding senior women lawyers among them such famed figures as Ruth Bader Ginsburg Janet Reno Norma Shapiro and Catherine Roraback were asked to give their personal and professional histories in interviews conducted by younger colleagues The interviews made available to the author permit these women to be written into history in their words words that evoke pain as well as celebration humor and somber reflection These are women attorneys who in courtrooms classrooms government agencies and NGOs have rattled the world with insistent and successful demands to reshape their profession and their society They are women who brought nothing short of a revolution to the profession of law In this book award winning legal historian Jill Norgren curates these compelling stories using them to describe the profound changes that began in the late 1960s and interweaving social and legal history with the women's individual experiences An inspirational story of individual successes and even more important a historical analysis of the march toward improved gender equality in America

[Regionalism and Nationalism in the United States](#) Donald Davidson, 2017-09-29 A quarter of a century before Lyndon B Johnson popularized the slogan The Great Society Donald Davidson wrote his critique of Leviathan the omnipotent nation state in terms that only recently have come to be appreciated Leviathan is the idea of the Great Society organized under a single complex but strong and highly centralized national government motivated ultimately by men's desire for economic welfare of a specific kind rather than their desire for personal liberty Originally published as *The Attack on Leviathan* this eloquent volume is an attack

on state centralism and an affirmation of regional identity Davidson's work is a special sort of intellectual as well as social history It reveals an extraordinary mastery of the literature on regionalism in the United States with special emphasis on the work on Rupert Vance and Howard Odum in the social sciences Davidson looks at regionalism in arts literature and education He favors agriculture over industrialization and the hinterland over cities examining along the way varying historical memories the dilemma of Southern liberals and the choice of expedience or principles His book is a forceful and commanding challenge to those who would push for central authority at the sacrifice of individual and regional identity Davidson concludes with a devastating critique of nationalism leading to a supra nationalism Ultimately the heterogeneity of human desires comes up against the uniformity of world systems and world states Davidson offers instead a broad world of intellectual history and commentary in which individualism allies itself with communities as a means for stemming the tide of collectivism and its base in a world state For Davidson Leviathan the monstrous state is a devourer not a savior As several peoples rise to strike down their own Leviathans this courageous book may be better understood now than it was in 1938

Rhetoric in the College Course John Franklin Genung,1887 **Island Girl to Airline Pilot** Silva Mcleod,2023 This is the incredible story of Silva Mcleod the first Tongan woman to become an airline pilot told with frankness and wit by Silva herself Silva was a Tongan girl from a small island with little hope of anything beyond getting married and having babies Her dreams of becoming an airline pilot seemed just that dreams until Ken McLeod came into Silva s life He was an Australian hired to build a hospital on her island of Vava u She started dating him despite frowns from her family After a whirlwind romance they got married in a traditional Tongan ceremony before moving to Australia Silva faced challenges in Australia as a woman of color Then came the biggest challenge of all Ken was diagnosed with cancer He said to Silva Do you still want to fly Life is too short if you have a dream go for it There were many barriers to succeeding in such a male dominated field but Silva refused to give in She became the first Tongan female airline pilot and worked for the Royal Flying Doctor Service amongst other small airlines then Virgin International flying B777s around the world With every new height Silva reached in her career Ken s struggle with cancer continued Despite the hardships Silva is sure she would dare to do it all over again

Dare to love a white man and dare to pursue her dream to go from island girl to airline pilot **I'm Applying to College: Now What? A Step-by-Step Guide to Writing Applications & Essays** Angela Erickson, 2017-09-30 Applying to college can be one of the most stressful times in a student's life. With acceptance rates at colleges such as Stanford and Harvard being under 10 percent, students need to know how to craft a winning application. This book breaks the process down into easy-to-manage sections. You will learn how to choose a topic, how to narrow your focus, how to edit and revise, how to choose your tone and structure, how to avoid the common pitfalls, and how to overcome writer's block. In addition, you will learn strategies for getting started, requirements for application and critical writing tips. This book has sample essays and essay questions, and even examples of the essays specific colleges use. Admissions officers have chimed in with their expertise to provide insider information on how to compose impressive applications and essays for admissions and scholarships. Whether you are a high school freshman seeking a head start or a senior hoping to glean some last minute tips, this book is your go-to guide to getting accepted.

Moral Prejudices Annette Baier, 1995 Annette Baier delivers an appeal for our fundamental moral notions to be governed not by rules and codes but by trust. A moral prejudice, along the way, she gives us the best feminist philosophy there is. Baier's topics range from violence to love, from cruelty to justice, and are linked by a preoccupation with vulnerability and inequality of vulnerability, with trust and distrust of equals, with cooperation and isolation. Throughout, she is concerned with the theme of women's roles. In this provocative exploration of the implications of trusting to trust rather than proscription, Baier interweaves anecdote and autobiography with readings of Hume and Kant to produce an entertaining, challenging, and highly readable book.

Adopting the Melody of Appearance: An Psychological Symphony within **Ambitions Essay About Becoming An English Teacher**

In some sort of eaten by screens and the ceaseless chatter of fast interaction, the melodic splendor and psychological symphony produced by the written word usually fade in to the backdrop, eclipsed by the relentless noise and disturbances that permeate our lives. But, set within the pages of **Ambitions Essay About Becoming An English Teacher** a stunning fictional value brimming with fresh emotions, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, that captivating masterpiece conducts viewers on an emotional trip, well unraveling the concealed tunes and profound impact resonating within each cautiously constructed phrase. Within the depths with this poignant review, we shall examine the book is key harmonies, analyze its enthralling writing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
