The Episcopalians David Hein,Gardiner H. Shattuck,2005-08 This book offers a fresh account of the Episcopal Church s rise to prominence in America *America Before 1787* Jon Elster,2025-06-24 An original account drawing on both history and social science of the causes and consequences of the American Revolution With *America before 1787* Jon Elster offers the second volume of a projected trilogy that examines the emergence of constitutional politics in France and America Here he explores the increasingly uneasy relations between Britain and its American colonies and the social movements through which the thirteen colonies overcame their seemingly deep internal antagonisms Elster documents the importance of the radical uncertainty about their opponents that characterized both British and American elites and reveals the often neglected force of enthusiasm and of emotions more generally in shaping beliefs and in motivating actions He provides the first detailed examinations of divide and rule as a strategy used on both sides of the Atlantic and of the rise and fall of collective action movements among the Americans Elster also explains how the gradual undermining in America of the British imperial system took its toll on transatlantic relations and describes how state governments and the American Confederation made crucial institutional decisions that informed and constrained the making of the Constitution Drawing on a wide range of historical sources and on theories of modern social science Elster brings together two fields of scholarship in innovative and original ways The result is a unique synthesis that yields new insights into some of the most important events in modern history

The Rough Guide to the USA (Travel Guide eBook) Rough Guides,2017-03-30 The Rough Guide to the USA is the ultimate guide to all fifty star spangled states Whether you re planning a mammoth cross country road trip an action packed whizz around the Rockies or just a lazy time lounging on the West Coast s best beaches this fully updated guide will assist you every step of the way Packed with colour maps itineraries and route suggestions The Rough Guide to the USA will help you discover the best the United States has to offer from New York s galleries and Miami s nightlife to the lobster shacks of Maine and the vineyards of California With expert reviews of hotels restaurants clubs and bars plus all the information you ll need on city sights and national parks you ll make the most of your American adventure with The Rough Guide to the USA

Fisher, Sheila M. McIntyre, Julie A. Fisher, 2024-03-22 Roger Williams is best known as the founder of Rhode Island who was banished from Massachusetts in 1636 for his dangerous thoughts on religious liberty But the city and colony Williams helped to found was deep in Native country situated between the powerful Narragansett and Wampanoag nations The Williams that emerges from the documents in this collection is immersed in a dynamic world of Native politics engaged in regional and trans Atlantic debates and conversations about religious freedom and the separation of church and state and situated at the crossroads of colonial outposts and powerful Native nations Williams lived among and relied on the generosity of his Narragansett neighbors and yet he was a Native enslaver and part of a process that dispossessed regional Indigenous populations He could establish a colony based on full religious freedom and yet bitterly complain and campaign against residents with whom he disagreed such as Samuel

Gorton or the Quakers For the first time Reading Roger Williams offers readers the opportunity to explore the many facets of Williams s life by including selections from all of his writings starting with his life in London and ending with one of his final letters written when he was nearly eighty years old Each document includes an introduction and annotations to help the reader better understand the text and context *Teaching American History in a Global Context* Carl J. Guarneri,Jim Davis,2015-07-17 This comprehensive resource is an invaluable teaching aid for adding a global dimension to students understanding of American history It includes a wide range of materials from scholarly articles and reports to original syllabi and ready to use lesson plans to guide teachers in enlarging the frame of introductory American history courses to an international view The contributors include well known American history scholars as well as gifted classroom teachers and the book s emphasis on immigration race and gender points to ways for teachers to integrate international and multicultural education America in the World and the World in America in their courses The book also includes a Views from Abroad section that examines problems and strategies for teaching American history to foreign audiences or recent immigrants A comprehensive annotated guide directs teachers to additional print and online resources **The Routledge History of Crime in America** James Campbell,Vivien Miller,2024-12-27 Covering a broad chronology from the colonial era to the present this volume s 28 chapters reflect the diverse approaches interests and findings of an international group of new and established scholars working on American crime histories today The book is organized around major themes in crime history including violence science and technology culture gender and organized crime and it addresses pressing contemporary concerns such as mass incarceration and the racial politics of crime in modern America It also engages with the history of crime literature film and popular culture from colonial execution sermons to true crime television in the twenty first century The volume is alert to continuities and diversity over time and place in the history of American crime notably in chapters on the South the West and the impact of urbanization on practices and ideas about crime and law enforcement in different periods of the American past The Routledge History of Crime in America is an indispensable interdisciplinary resource for students and researchers working in areas of crime crime policy punishment policing and incarceration **Essays on Northeastern North America, 17th & 18th Centuries** John G. Reid,2008-11-14 In examining the history of northeastern North America in the seventeenth and eighteen centuries it is important to take into account diverse influences and experiences Not only was the relationship between native inhabitants and colonial settlers a defining characteristic of Acadia Nova Scotia and New England in this era but it was also a relationship shaped by wider continental and oceanic connections The essays in this volume deal with topics such as colonial habitation imperial exchange and aboriginal engagement all of which were pervasive phenomena of the time John G Reid argues that these were complicated processes that interacted freely with one another shaping the human experience at different times and places Northeastern North America was an arena of distinctive complexities in the early modern period and this collection uses it as an example of a manageable and

logical basis for historical study Reid also explores the significance of anniversary observances and commemorations that have served as vehicles of reflection on the lasting implications of historical developments in the early modern period These and other insights amount to a fresh perspective on the region and offer a deeper understanding of North American history

Harvard Guide to American History Frank Freidel, Frank Burt Freidel, Richard K. Showman, 1974 Editions for 1954 and 1967 by O Handlin and others **5 Steps to a 5 AP US History with CD-ROM, 2014 Edition** Stephen
