American Fairy Tales:

American Fairy Tales L. Frank Baum, 2023-04-06 American Fairy Tales is a collection of short stories by L. Frank Baum, the author of the Oz series. The book includes twelve original fairy tales that are set in America and feature a range of memorable characters from wicked witches to clever animals. One of the most well-known stories in the collection is The Wizard of Oz, which tells the story of a young girl named Dorothy who is swept away to a magical land by a tornado. Other stories include The Box of Robbers, which follows a group of robbers who are outwitted by a group of dolls, and The Capture of Father Time, which tells the story of a group of children who capture Father Time in order to prolong their summer vacation. Another popular story is The Girl Who Owned a Bear, which follows a young girl named Mary who inherits a bear from her grandfather. Despite warnings from her family, Mary and the bear become fast friends, and she soon discovers that the bear has magical powers that she can use to help those in need. Each of the stories in American Fairy Tales has its own unique charm and message, and together they create a whimsical and magical world that readers of all ages will enjoy. Baum's skillful storytelling and vivid descriptions bring the characters and settings to life, and the book remains a beloved classic of American literature.

American Fairy Tales - L. FRANK BAUM, 2020-06-27 American Fairy Tales is the title of a collection of twelve fantasy stories by L. Frank Baum, published in 1901. American Fairy Tales by L. Frank Baum, the creator of Oz, is exactly what its title describes. The European fairy tale tradition is so strong that few associate fairy tale with American stories and storytellers, despite the rich and enduring output of their most successful creator, L. Frank Baum. Author of the much-loved Oz books, L. Frank Baum transforms the familiar with his magical mix of humor and enchantment. Most of the twelve stories in this delightful collection are set in America, where so it seems, modern fairies, knooks, and ryls are always causing the most astonishing things to happen. These tales will enchant both young and old. When American Fairy Tales first appeared, Baum's reputation as a storyteller had already been established by The Wonderful Wizard of Oz, written in 1900. The twelve stories in this collection were originally syndicated weekly in at least five newspapers during the first half of 1901. The first book edition, which this facsimile reprints, came out later that year.
