The structure of your Class Constitution will be in the same way as the structure of the original Constitution. It will include the following parts:

- Introduction** - This is the introductory sentence that sets out the purpose of your Constitution.
- Preamble** - There are the main sections that deal with the body of your Constitution. Our Constitution has 7 Articles but yours can have as many as you need.
- Articles** - Each Article deals with specific parts of each Article. The number of Articles varies from 10 to 15 or more for each Article.
- Signatures** - At the end of your Articles, every group member must sign their name.
- Amendments** - If you want to change your Constitution after it is complete.

Use the large poster paper to write your group's Constitution. After you have written it, combine your group's Constitution with the others to make a class Constitution.

Explain that to the class.
