the American Academy of HIV Medicine's commitment to excellence in the care of seropositive patients

Fundamentals of HIV Medicine 2019 is a must have for health professionals across HIV care treatment and prevention

[Reforming the law of taxi and private hire services](#)

Great Britain: Law Commission, 2012-05-10

This consultation paper presents the Law Commission's provisional proposals for reform of the legal framework relating to taxis and private hire vehicles

Taxis and private hire vehicles (PHVs) are an important part of local transport. They operate in highly regulated markets where safety and quality control are paramount. Licensing covers key areas such as the quality of services, the fitness of drivers, fare regulation and restrictions on the number of licenses issued. The current law on taxis and PHVs has been criticised for being complex and outdated. These proposals retain the important distinction between taxis which can ply for hire on the street or a cab rank and private hire vehicles which can only be pre-booked. But all vehicles would be subject to national minimum safety standards and for private hire vehicles these would replace more than 340 sets of local regulations. This will reduce the burden on business because once appropriately licensed a private hire firm could work freely across the country without geographical restrictions. This would contribute to widening consumer choice and to making services cheaper and more competitive. The Commission also makes suggestions covering a wide range of issues including improving provision for persons with disabilities, quantity restrictions and enforcement.

Law Commission website

[Emergency Department Compliance Manual](#)

Rusty McNew, 2013-01-23

Emergency Department Compliance Manual 2013 Edition provides everything you need to stay in compliance with complex emergency department regulations. The list of questions helps you quickly locate specific guidance on difficult legal areas such as:

- Complying with COBRA
- Dealing with psychiatric patients
- Negotiating consent requirements
- Obtaining reimbursement for ED services
- Avoiding employment law problems

Emergency Department Compliance Manual also features first-hand advice from staff members at hospitals that have recently navigated a Joint Commission survey and includes frank and detailed information. Organized by topic, it allows you to readily compare the experiences of different hospitals. Because of the Joint Commission's hospital-wide function-based approach to evaluating compliance, it's been difficult to know specifically what's expected of you in the ED.

Emergency Department Compliance Manual includes a concise grid outlining the most recent Joint Commission standards which will help you learn what responsibilities you have for demonstrating compliance. Plus **Emergency Department Compliance Manual** includes sample documentation that hospitals across the country have used to show compliance with legal requirements and Joint Commission standards.

Age-related competencies

Patient assessment policies and procedures

Consent forms

Advance directives

Policies and protocols

Roles and responsibilities of ED staff

Quality improvement tools

Conscious sedation policies and procedures

Triage referral and discharge policies and procedures

And much more.

Emergency Department Compliance Manual has been updated to include new and updated legal and regulatory information affecting your ED including:

- Updated questions and answers covering such topics as Physician Payment Sunshine Act requirements
- What a HIPAA audit

involvesJoint Commission requirements for patient centered communicationJoint Commission requirements for the use of scribesHospitals response to uncompensated emergency department careFactors including drug shortages that affect patient safetyJoint Commission requirements to manage patient flowThe Supreme Court decision s impact on health care reformFraud and abuse updatesOIG reassignment alertStage 2 meaningful use requirementsAffordable Care Act summary of health plan benefits and coverage SBC requirementsHospital value based purchasing updateMedicare Shared Savings Program requirementsNew Joint Commission survey questions and answersUpdated sections on hospital accreditation standardsNew and updated forms policies and other reference materials to facilitatecompliance including Memorandum of Understanding Regarding Reciprocal Lateral TransferSample Lateral Transfer into HospitalTransfer ProcessCommonly Abused Prescription DrugsMedication Use AgreementED Director s Weekly Wrap Up Reportto StaffCommunication Template Staff MeetingSafety TriggersED Registered Nurse Clinical Ladder ProgramED Registered Nurse Clinical Ladder Program Expectations Criteria for EachDimensionED Nursing Education File ChecklistED New Hire PlanExtra Shift Bonus PolicyGuidelines for Extra Shift Bonus PayED Overtime JustificationED Communication ChecklistED Downtime Track
