Spencer, 2013-08-27 An introduction to the study of the ways the church has evolved in its corporate life since its birth in the
first century Special attention is given to studying its changing relationship and interaction with the surrounding societies in
which it has existed The intended readership will be those training for ministry in English speaking churches so the
studyguide will concentrate on those aspects of this subject of most relevance to this group This means there will be greater
attention to developments in the West than in the East especially in later centuries and to topics such as the nature of
ministry the sacraments places of worship authority in the church and mission These will be examined at each period of
church history in each chapter to provide reference points of comparison throughout the book Each chapter will also contain
a specific case study presenting extracts of some key documents with notes commentary and questions for discussion to
allow readers to develop skills in historical research General discussion questions and reading lists will be provided at the
end of each chapter The final chapter will provide guidance for the study of the history of the student's own church and
