[The Rapture: A Pre- or Post-Tribulation Event?](#) Colleen Wandmacher, 2023-07-27 God tells us not to be deceived about the timing of us being caught up to meet Jesus in the air an event Christians refer to as the rapture He would not have said that unless there was going to be an avalanche of false teaching with regard to the timing of the rapture in the sequence of end time events Diligently studying pertinent Scriptures in God's Word is the only way one can be free of deception and be spiritually prepared for the times that may befall us This book helps the reader to deeply study the Word of God to see the truth I've read a large number of books on the rapture debate and in my opinion this excellent book is by far the best While reading this book I felt like my spiritual glasses

were being cleaned so I could see the simplicity of the truth of scripture again Well done Colleen Marvelous Five gold stars from me I have read several books about the rapture and end time prophecy including Pre Tribulation and Mid Tribulation and when I come across this book it was so clear logical and well written based solely on the scripture that I could grasp the subject clearly and convincingly which has helped me tremendously in making up my mind where to stand on the subject of the timing of the rapture at the end time Really recommended

Revelation and the Mark of the Beast Z. Richard Sawan M.D.,2011-08-17 No longer do I want you to be afraid of Revelation as I was but rather embrace the inevitable future that God has planned for us This book is a passport to the future of humanity and will explain the end times in simple ways for the most part based on Biblical interpretation and not on widely accepted views or mine Most of the prevalent views on Revelation that you have learnt or learning are incorrect Not knowing the future with respect to God s plan could jeopardize the timing of your salvation which could put one in the receiving end of God s plagues Revelation was written for us today in the end times and not for the Jews and ancient Romans 2000 years ago This book will prove this to be true beyond a shadow of a doubt Revelation cannot be interpreted without key scriptures in books in the Old Testament thus proving that there is divine intervention in the Bible as a whole It is impossible for different human authors to write so many different books with hundreds to thousands of years in between and have the same conclusions and interpretations IMPOSSIBLE We are presently near the end of the Great Tribulation with the Day of our Lord fast approaching Already five of the seven seals have been opened with the sixth approaching rapidly The beast of Revelation chapter 13 is alive and well and the mark of the beast is already in use A limited nuclear war is on the horizon and world domination by the Son of Satan by means of a 200 million man army would follow There is good news though Read this book
