Brazilian spiritualism *On the Trail of Americana Music* Ralph Brookfield, 2021-12-15 Based on numerous interviews with leading musicians and music industry professionals this book explores the illusive genre and movement that is Americana From its historical roots in Country Folk and other rebel music the story of Americana music is told by those who are taking it in new directions today With so many music venues closed and incomes reduced musicians speak of their hopes and fears for the future of the industry in challenging times Interviews with Emily Barker Yola Troy Cassar Daley Kasey Chambers Dave Cobb Paul Kelly John Murry Lindi Ortega Wildwood Kin and many more ABOUT THE AUTHOR Ralph Brookfield trained as a molecular physicist worked as a freelance writer and software engineer ran his own software business then became a director of technology in the digital television industry until 2012 Since then he has pursued his passions of writing and music which he combines in his songwriting playing regularly with his band in the Ealing area the crucible of RnB music in the UK where he also manages and promotes grassroots music He is married has two grown up children and is a founder member of the infamous Hanwell Ukulele Group REVIEWS This book is the story of the richest tapestry of music ever found in one country So join in with the author on this journey of discovery from coast to coast from around the world this wonderful music this is Americana Pete Clack Blues in Britain Magazine This is a great and informative read for any fan of the world s coolest music genre Americana Nash Chambers award winning Music Producer A deep inquisitive dive into the Americana story so far In the best possible way Ralph Brookfield s roots are showing Paul Sexton Music writer and broadcaster it is a volume of varied parts and something of a curate s egg The chapters on the history and strands of Americana in America make good reading as do the chapters on Ireland and the role of women Perhaps not surprisingly the interest in the other chapters diminishes in proportion to the nature and size of the Americana scene found in each country I did admire his reasoned thoughts on Keith Urban seemingly someone subject to a degree of derision and where he sits in the musical cosmos One real bonus is a huge list of what are called endnotes Brookfield finishes the book with some brief words on the future which he sees might take us eventually to the land of Cosmic American Music as described by Gram Parsons Presently he identifies a retro movement as exemplified by Pokey le Farge He also recognises Kasey Chambers s work with native Australians Psychedelic influences and the work of Gangstagrass and the Alabama 3 Americana remains a very rich stew Gordon Sharpe Americana UK *The Oracle of the "tiny finger snap of time"* Pauline Winsome Beard, 2016-08-17 Many poets playwrights and novelists have grappled with the concept of time Even more scholars have analyzed how novelists have used time for structuring organizing plotting and philosophizing This collection of essays about the use of time in the novel is unique not only because the writers cover a wide range of concepts of time but also because they locate certain novels within a specific time culture The chapters analyze novels and one film with definite time cultures providing hints as to the future of the use of time in the novel Emily Bald s chapter begins the collection in the nineteenth century with *Life in the Iron Mills* showing both inner time the perceptual time which fluctuates with the vicissitudes of affective experience and external time

which has become known as clock time This ties in well with Rachel Kaufmann's chapter exploring felt time in contemporary women's literature Marco Caracciolo's chapter adds cosmic time to Ricoeur's monumental and mortal time with the case studies of Virginia Woolf's *The Waves* and Terrence Malick's film *The Tree of Life* Two chapters explore the effects of World War Two AJ Burgin presents the disorienting technique of Martin Amis' *Time's Arrow* that shows time going backwards even in dialogue Raymond Burt presents two novels of Michael Khlmeier a contemporary Austrian writer spanning the decades since the end of World War Two with his chapter drawing the link between time and morality The final chapter on Calvino's *If on a winter's night a traveler* shows the multiplicity of time that the previous chapters have demonstrated so clearly Terms such as affect truth haunting memory reality identity morality and mortality all resonate within these chapters as characters within the novels and their specific culture areas grapple with time recall the past and attempt to live in the present Many of the writers in this collection point towards possible new methods of dealing with time reading methods engaging with the novel writers of the future in new and interesting relationships Here Time has not been wasted
