

Webquest: *Animal Farm*—Inheriting a Farm!

● Introduction:

Congratulations! You've inherited a farm and now must learn how to be a farmer. Bewarned, though—the animals are politically active and planning to start a revolution against humans like you. It's your job to convince them that this is a bad idea. Unfortunately, I know...and you thought pulling weeds would be your biggest hurdle!

Task:

To get on their good side, you'll have to win something that will earn the animals' respect. Take some time to understand their concerns, motives, and goals for this rebellion. Then, research how to successfully win them over.

Process & Resources:

Use the following sources to answer the questions below. This information will help you create a persuasive piece for the animals on your farm. You can write a short news article, make a propaganda poster, or give a rousing speech, convincing the animals to abandon their plans.
