Anna Autopsy Nicoles Report Son:

The IPINIONS Journal Anthony Hall,2008-04 ANTHONY LIVINGSTON HALL COMMENTS ON Bush s legacy of support for Africa I was dismayed by the number of people who refused to believe that Bush had done more for Africa than any other US president notwithstanding testimonials I proffered from renowned crusaders for African development like Sir Bob Geldof and Bono to support this claim Oprah s school for African girls I applaud Oprah for founding this school for the same reason I applauded Madonna for adopting that African boy She is fulfilling a need which honors our shared humanity in a way that few of us can afford or are even conscientious enough to do Native Americans ethnically cleansing blacks from their tribes Indeed I do marvel at this curious thing that they would rather be condemned as racists for expelling blacks than be criticized as niggards for hoarding their gambling loot French President Nicolas Sarkozy s love affair with the US Sarkozy displays a Blairite affinity for America that any self respecting Frenchman must find particularly gaulling Bungled terrorist attacks in London and Glasgow Wannabe suicide bombers rammed their jeep packed with explosives into Glasgow Airport on Saturday morning shouting Allah Allah Allah no doubt hoping to go off in a blaze of glory for eternal assignments with their apocryphal 72 virgins Steroids in baseball In fact steroid use has flourished in baseball and other professional sports pursuant to an open conspiracy among players and team owners to feed the gladiatorial lust of fans who want to see bigger stronger and faster cyborgs perform for their atavistic enjoyment *The Life and Deaths of Cyril Wecht* Cyril H. are supported by a detailed chronology extensive bibliography and filmography **Change We Can Believe In?** Anthony Livingston Hall, 2010-08-02 ANTHONY L HALL takes aim at every important issue of our time with a unique and refreshing perspective He comments on Obama accepting the Nobel Prize Many people are still wondering what that mysterious light hovering over Norway was on the night before he arrived But despite claims that it was generated by a UFO or the failed test launch of a Russian missile die hard believers like me will tell you that it was just a celestial sign heralding the Nobel coming of Barack Obama The swine flu pandemic that wasnt An Obama advisor has been quoted saying You never want a serious crisis to go to waste It is instructive to note that the pharmaceutical companies that produce vaccines as well as the peddlers of surgical masks and other flu paraphernalia appear to be heeding this advice Movie about Nehrus affair with the wife of a British diplomat One can only imagine the physical passion they shared especially in light of Edwinas reputed nymphomania which notwithstanding Nehrus efforts she reportedly satiated by making scandalous booty calls on a black man for over 30 years Christmas Day underwear bomber We had the secretary of Homeland Security Janet Napolitano assuring us on Sunday that the system worked in this case If this good job Brownie faux pas doesnt suggest that our whole airline security system is devoid of logic nothing does Cartoon of Obama kneeling and kissing shoe of Chinese leader To be sure the cartoon takes some creative license But the essential point it conveys is undeniable America cannot stand like a superpower with China squeezing its balls in a financial vise grip Expenses scandal that rocked UK Parliament Who knew that the only swine flu Britons had to worry about was an epidemic of MPs feeding at the public trough like pigs Tiger Woods Thanksgiving Day spat with his wife Cheating Tiger fuming dragon **JIMD Reports - Case and Research Reports, 2012/1**
