Litvin, 2023-11-30 How can our country be so divided when all of us want the same things the same four ourselves our families and our children What if I told you that this could be the best time in human history Together we stand at the dawn of a new era For the first time in human history there really is more than enough to go around We have the resources to feed clothe house educate and care for everyone without anyone having less than they do now What if I told you that you could flip a switch and make this a new reality for all of us It s called 4 For All And it is possible if we all want it Come along with me as I reveal how I believe we got into this horrible mess and stay with me as we find the ways to fix it Why the fuck not **The Blood of Losers** Dean Garrison, 2004 Denny Hargrave is a police crime scene technician with a problem Every night he drives the same decaying urban streets photographing the dead and dying fingerprinting murder scenes and making diagrams of the slaughter Lately Denny has noticed that even the living appear to be dead As Hargrave s strange world grows even stranger he finds that only
