Chapter 1

1. How does Wiesel describe himself as a boy of 12?

4. How had Moshe changed as a result of his experience? (Him, Motif)
5. How did people in the village react to Moshe's story? Why do you suppose they reacted this way?
6. In the Spring of 1944, what political changes occurred in Hungary?
7. After the Germans arrived in Sighet, what was the prevailing attitude among the residents?
8. After Passover, Wiesel says, "the curtain rose" (p. 8). What does this refer to? What happened?
9. What was bitterly ironic about the comments that Wiesel's father made regarding the wearing of the yellow star?
10. How did the Jews react to this?
11. Despite all that happened, even after the Germans entered the capital of the Budapest, Wiesel tell us that people still remained optimistic about their future. How can you explain this optimism?
12. In this Chapter Wiesel uses images from nature. How does he use the sun?
13. What does this imagery of night suggest?
"Night. No one prayed, so that the night would pass quickly. The stars were only sparks of the fire which devoured us. Should that fire die out one day, there would be nothing left in the sky but dead stars, dead eyes" (p.8).
14. Identify each of the steps in the German plan, and point out how the cunning of the German plan and the people's human need for optimism in the face of danger led the Jews of Sighet to the transports to *Auschwitz*?

Chapter 2

1. After several days of the travel, what did the prisoners finally realize?
2. When prisoners were finally unloaded from the train, where were they? What was significant about the time?

Answer Sheet To Night By Elie Wiesel

Answer Sheet To Night By Elie Wiesel:

Elie Wiesel Elie Wiesel, 2002 Elie Wiesel has given hundreds of interviews Yet his fame as a human rights advocate often directs such conversations toward non literary issues Indeed many of Wiesel s questioners barely address the writer s role that has defined him since the 1950s Unlike previous volumes in which he speaks with interviewers Elie Wiesel Conversations collects interviews which set in relief the writer at work This book focuses on Wiesel the literary artist instead of Wiesel the Holocaust survivor or the 1986 Nobel Peace Prize laureate Beyond highlighting Wiesel s literary significance these interviews also correct many faulty assumptions about his achievement Few American readers know that he writes in French that he has been favorably compared to Andr Malraux and Albert Camus Not many realize that the Holocaust has been the subject of only a few of his forty books Particularly in his nonfiction Wiesel s scope is wide addressing Jewish life in all its religious and historical complexity Though most of Wiesel s books do not focus on the Holocaust they are written against the backdrop of what he has come to term The Event Always the presence of Auschwitz can be felt always the author lives in the shadows of the flames that once illuminated and blinded him These interviews are reminders that the writing life is both solitary and public interior and social The writer must venture beyond his study and speak out against the world s traumas and outrages Robert Franciosi is an associate professor of English at Grand Valley State University in Allendale Mich He is the editor of Good Morning A Holocaust Memoir His work has appeared in American Poetry Contemporary Literature Modern Jewish Studies and the William Carlos Williams Review **Elie Wiesel's Night** Harold Bloom, Sterling Professor of Humanities Harold Bloom, 2014-05-14 Discusses the characters plot and writing of Night by Elie Wiesel Includes critical essays on the novel and a brief biography of the author *Fantasies of Witnessing* Gary Weissman, 2018-07-05 *Fantasies of Witnessing* explores how and why those deeply interested in the Holocaust yet with no direct familial connection to it endeavor to experience it vicariously through sites or texts designed to make it real for nonwitnesses Gary Weissman argues that far from overwhelming nonwitnesses with its magnitude of horror the Holocaust threatens to feel distant and unreal A prevailing rhetoric of secondary memory and trauma he contends and efforts to portray the Holocaust as an immediate and personal experience are responses to an encroaching sense of unreality In America we are haunted not by the traumatic impact of the Holocaust but by its absence When we take an interest in the Holocaust we are not overcoming a fearful aversion to its horror but endeavoring to actually feel the horror of what otherwise eludes us Weissman focuses on specific attempts to locate the Holocaust in the person of Elie Wiesel the most renowned survivor and his classic memoir Night in videotaped survivor stories and Lawrence L Langer s celebrated book Holocaust Testimonies and in the films Shoah and Schindler s List These representations he explains constitute a movement away from the view popularized by Wiesel that those who did not live through the Holocaust will never be able to grasp its horror and toward re creating the Holocaust as an experience nonwitnesses may put themselves through It is only by acknowledging the desire that gives shape to such

representations and by exploring their place in the ongoing contest over who really knows the Holocaust and feels its horror that we can arrive at a more candid assessment of our current and future relationships to the Holocaust he says What Should I Do? Anna Ershler Richert,2012-04-06 What Should I Do is a practical guide to the everyday dilemmas of the urban classroom It offers a lifeline to both beginning teachers who are struggling to be successful and to the teacher educators who are trying to prepare them for these challenges The author uses narratives of practice written by novice teachers to help readers experience a variety of dilemmas they are likely to encounter in the classroom By engaging with and analyzing the cases readers come to see that the problems of teaching are actually dilemmas that have no clear cut right or wrong solution thus reducing the potential for frustration and despair often felt by teachers This practical resource will empower teachers to transform the unpredictable world of troubled schools into places of learning and hope for both themselves and their students As a former teacher said I wish I had read this book and realized that I wasn't expected to have all the answers I would probably still be teaching

Response Theology John T. James PhD,2022-08-31 Science and Religion should never be in conflict as Dr James a Ph D scientist and Christian mystic carefully demonstrates He employs many personal experiences in the science realm and in the Christian realm to show how the two are wonderfully complementary as long as each remains in their respective places Science is of the natural world and as Jesus declared his kingdom is not of the world it is a kingdom defined by Holy Spirit which he left for us in his absence The author uses many biblical passages to show that the core message of Christianity is to live a life of love for others despite the personal crosses life may hand you This he calls Response Theology He provides deeper insight into what love means for Christians In Greek the word for love in the New Testament is agape unconditional selfless sacrificial and in action love He takes the reader through a critical and well reasoned tour of areas in Christianity that need rethinking Is the Bible inerrant How can reason be applied to biblical interpretation Is God really omnipotent Did God specifically create you Is God good all the time How does Holy Spirit enter your heart How may we commit our lives to doing God's will What are the implications of believing that God is Agape Love as the apostle John wrote These are important areas of Christianity that require attention in a world filled with counterfeit Christianity

Anti-defamation League,1978 **Elie Wiesel, the Shtetl, and Post-Auschwitz Memory** Christine June Wunderli,2023-04 How are Holocaust events remembered and narrated and why What knowledge can Holocaust testimony convey Christine June Wunderli explores these questions as she examines four works by Holocaust survivor Elie Wiesel Guided by Bourdieu s theory of literary field as well as Young s theory of literary representation she traces Hasidic influences in Wiesel s writing Her conclusions are telling Wiesel s narratives are born as memory is pulled towards both Auschwitz and the shtetl caught up in the tension between the two Still the emerging trajectory is one of hope led by a new categorical imperative
