Recording script

I always try to get everything I need for the week down at the shops and supermarket at the big shopping mall on the outskirts of town. At the supermarket, I fill up my trolley with my favourite items of food, sometimes choosing a different brand from the one I usually buy if it happens to be on offer, for instance 'Buy 2 and get 1 free', or '20% off'. At the checkout I normally pay cash or by debit card rather than by credit card, as I don't want to get into debt by spending more than I can afford. Sometimes I call in at one of the other shops to buy something for the house, though for a big item I usually look it up in the catalogue first. I always check it has a good guarantee in case anything goes wrong after I've bought it.
