Administration Mira Costa High School:

Manhattan Beach Police Department Jan Dennis,2003 The small community of Manhattan Beach located in the county of Los Angeles is situated on the shore of the Santa Monica Bay Late in the 1800s there was little need for law enforcement this unspoiled terrain along the ocean coastline with its shifting sands scrub brush and native wildflowers had yet to be cultivated By 1912 the sparsely populated area had been incorporated and the city fathers appointed the first peace officer Fred W Petway who was one of three marshals to serve the new town In 1924 the position of police chief was created with the appointment of Fred Garvin However it would be many years before a first class police department would oversee the safety and security of the growing community This volume tracks a century of social change and dramatic episodes that challenged a long line of dedicated men and women in law enforcement Each of these professionals raised the bar on the high standard of police department service that operates in this seaside municipality today *Resources in Education*
