Homeschooling High School Shirley Erwee, 2014-08-28 Prospective homeschoolers are parents looking for an alternative to the mainstream educational system for their offspring But homeschooling children at high school level strikes fear into even the most dedicated of homeschoolers They need information and answers to their questions And with the current educational and unemployment problems in South Africa young people need clear direction and guidance to help them achieve their goals In addition to exploring the popular ways to gaining a recognised matric certificate outside the formal school system Homeschooling High School also challenges readers to rethink their values particularly the value they place on certification and to consider some unconventional or alternative paths to success In a clearly presented format the book includes advice on legal matters identifying appropriate courses sourcing study material tips on entrepreneurship financing tertiary studies and the testimonies of successful homeshooled graduates Homeschooling High School is a comprehensive guide to plotting a path through high school and beyond

Practices and Perspectives of Teaching and Teacher Education in Africa Boadu, Gideon, Odhiambo, George, Marandi, Pegah, 2023-09-25 Teacher education is a known variable that impacts the quality of teaching and schooling yet while research on practices in teaching and teacher education abound in other contexts there seems to be no comprehensive reference work on teaching and teacher education in Africa With Africa and the diaspora boasting rich diverse political and educational contexts and practices this gap in knowledge requires that attention be focused on investigating issues that shape the pace course and direction of teaching and teacher education in these contexts Practices and Perspectives of Teaching and Teacher Education in Africa facilitates scholarly discussions among scholars and practitioners about practices innovations and future possibilities for educating the next generation of competent students and teachers in Africa Covering topics such as educational reforms equity career progression and curriculum development this major reference work is ideal for administrators industry professionals researchers academicians scholars practitioners instructors and students

Extended Curriculum Programmes Tennyson Mgutshini, 2022-04-30 The introduction of ECPs in South African Universities is seen by many as South Africa's key strategy for addressing the problem of poor patterns of student success and has its basis on the uncontested acceptance that an extended study duration may be necessary to bring some categories of learners to a level of parity with the readiness expectations of their course of study Even so this transformative strategic imperative has been plagued by a range of challenges that include poor systems readiness poor selection mechanisms in the identification of ECP students poor numeracy and literacy amongst students and indifferent teacher involvement in ECPs This volume offers a rare insight into many of the above recognised challenges and in so doing provides critical matter for thought for educators within the higher education sector

Investigating Corruption and White-collar Crime in South African Higher Education Bethuel Sibongiseni Ngcamu, 2025-10-16 Using an interpretivist approach this qualitative volume interrogates instances of corruption and white collar crime prevalent in South African

higher education institutions and suggests pathways for the proactive detection and prevention of corrupt practices Contextualizing the author s practical experiences gained in the higher education sector over the past two decades this book employs an ethnographical method to explore the complexity of university systems structures and functions that make South Africa s formerly disadvantaged universities more susceptible to corruption In the midst of highly contested divisive and highly politicized ways of reporting corruption in the media chapters provide critical analyses guided by scientific approaches robust data sets and qualitative face to face interviews to underpin the reliability of proposed policy amendments intended to detect and prevent corruption and white collar crime as well as the suggested closure of loop holes that make the sector vulnerable to and known for a high level of criminality Making a substantial contribution to broader academic debate around corruption and university management internationally this book will be of interest to researchers and postgraduate students in the field of higher education higher education management and administration and education policy and politics Policy makers in both the Global South and North are also likely to benefit from this book

Accessing Post-School Studies

Venica McGhie,2017-12-01 This publication makes a valuable contribution to often problematic and pertinent South African higher education issues such as student access and success student learning student support and student engagement In this regard the authors draw on the works of higher education theorists such as Kuh Tinto Marton and Saeljoe The book is primarily a helpful resource for South African learners in school students at universities life orientation teachers as well as parents of prospective university students It will especially assist students to adapt to the university environment
