Zambia International Monetary Fund. Statistics Dept.,2019-03-14 This Technical Assistance TA report focuses on four key work areas which may lead to improvement of Government Finance Statistics GFS for fiscal analysis support policy making decisions in Zambia and improve African Department surveillance The mission found out that the Coordinating Committee recommended in the previous TA mission was not yet established The mission reviewed progress on the legal and institutional arrangements supporting the compilation of GFS as a follow up from recommendations of the previous GFS TA mission and found that the legislation reforms were on track especially regarding the Public Finance Act The report also found that Central Statistical Office CSO is working on the revision of the Statistics Act to follow the new strategy for National Development of Statistics For sustainability and consistency purposes the mission recommended that the CSO staff produce a GFS manual for compilation and dissemination of GFS data **Gay is Gay and Priesthood is Priesthood.**

Should Gay People be admitted to the Catholic Priesthood? Tarcisius Mukuka,2021-02-19 Polemic Paper from the year 2021 in the subject Theology Historic Theology Ecclesiastical History grade 1 0 Kwame Nkrumah University language English abstract This article aims at examining the Catholic Church s indefensible and ambivalent position on homosexuality vis vis the Catholic priesthood I conclude that while its teaching is clear in my view erroneous its practice is ambivalent due to the many gay priests among its ranks even some would say up to the highest level of cardinals as the recent McCarrick Report 2020 by the Vatican Secretariat of State revealed On one level the answer to the question whether gay men and by extension gay women should be admitted to the Catholic priesthood or not is a straightforward affirmative They should This is probably a left of centre position It is my position Carlo Maria Vigan calls it an anti Church of heretics corrupt men and fornicators who include the Vatican Sanhedrin or what he calls the deep Church as I have mentioned below It would argue with evidence in bucket loads that there are already gay clerics both high and low in the Catholic priesthood but only men I hasten to add I know a handful In my erstwhile career as a Catholic seminary lecturer I personally knew a gay priest colleague an amiable fellow if ever there was one There was queer talk about him wherever he had been posted but nothing concrete until at his last post he was reported to the Zambian police for sexual abuse of two teenage boys May be if it had not been for the age of his victims he might still be in the gay closet **Impact of Global University Ranking Systems on**

Developing Countries Onyancha, Omwoyo Bosire,Tella, Adeyinka,2023-06-01 The emotive discourses on the subject of university rankings are directly linked to the effect of such rankings on the performance of universities throughout the world It has been observed that the top ranked universities attract major financial commitments from the industry the best students quality researchers and a wide range of other quality endowments such as equipment libraries and laboratories It is not surprising that the ranking of universities has gained popularity and become a significant factor shaping not only the reputation of universities but also the performance of said institutions around the world including the developing countries

Impact of Global University Ranking Systems on Developing Countries presents a collection of perspectives from scholars and other stakeholders on the impact of the global ranking systems on developing countries The book is an additional resource for discussion and discourse as far as the global university ranking systems are concerned and opens new frontiers for further research Covering key topics such as assessment ethics and academic freedom this premier reference source is ideal for administrators policymakers researchers scholars academicians practitioners instructors and students

Ibeagha-Awemu, Sunday O. Peters, Appolinaire Djikeng, John E. O. Rege, 2025-12-02 This open access book is a rich resource that chronicles the abundant livestock genetic resources in Africa Organized in five sections the chapters trace special productive and adaptive attributes of African livestock breeds past breed improvement efforts capacity building and strategies to effective utilization of available genetic resources in the era of modern technologies The authors cover major farm animal groups as well as dromedaries rabbits and grasscutters In view of the UN Sustainable Development Goals in particular SDG 2 Zero Hunger and SDG 15 Life on Land the purpose of this volume is to catalogue opportunities that can be leveraged with available technologies and technical knowhow for achieving rapid genetic gain and improved livestock productivity in Africa It fosters the utilization of genetic resources and the protection of indigenous livestock biodiversity Natural selection and humans have generated genetically diverse breeds of domesticated farm animals which can significantly contribute to the livelihoods of millions of Africans today Africa's indigenous livestock are particularly hardy and well adapted to local production contexts having evolved adaptations to the continent's diverse climatic conditions and environmental pressures In spite of the wealth of desirable genetic traits however some of Africa's iconic and lesser known livestock are disappearing at an alarming rate Moreover despite increasing recognition of what this diversity portends little has been done to understand and optimally harness the full potential of these genetic resources By combining scientific basis and practical instructions this work is a valuable manual for a diverse readership including students researchers livestock farmers livestock and non governmental organizations policy makers and business professionals who want to understand the uniqueness of African livestock genetic resources production systems and strategies for sustainable improvement for the African environment **Prospects for Regional Integration in Africa**

Andreas Freytag, Abena D. Oduro, African integration has had a long history dating back to the end of colonization in the 1960s It has generated enormous interest in recent years not least because the continent has recently taken some bold steps to integrate further such as the Tripartite Free Trade Area or the creation of the African Continental Free Trade Area AfCFTA With this book we offer an innovative perspective on African integration By inviting mostly young African scholars from different disciplines in the social sciences and humanities we make African voices audible and start a discussion of the African integration efforts from an African perspective using novel criteria to judge different African integration attempts In addition to the younger generation's representatives we also invited scholars from Europe and Latin America to bring other continents perspectives to the fore
