The Story of Sacrifice Liane M. Feldman, 2020-09-21 The sacrificial instructions and purity laws in Leviticus have often been seen as later or secondary additions to an originally sparse Priestly narrative In this volume Liane M Feldman argues that the ritual and narrative elements of the Pentateuchal Priestly source are mutually dependent and that the internal logic and structure of the Priestly narrative makes sense only when they are read together Bringing together insights from the fields of ritual theory and narratology the author argues that the ritual materials in Leviticus should be understood and analyzed as literature At the core of her study is the assertion that these sacrificial instructions and purity laws form the backbone of the Priestly story world and that when these materials are read within their broader narrative context the
