Learn Adobe Dreamweaver CC for Web Authoring Mark DuBois, Rob Schwartz, Kim Cavanaugh, 2018-08-30

Dreamweaver CC is the industry leading web design and development application from Adobe. With Dreamweaver you can build standards based web pages using code and design techniques that translate directly into careers in web and user experience design. Learn Dreamweaver by creating an entire website from scratch as you use HTML to structure the content of web pages. Design web pages that will look great on desktop, tablet, and mobile devices. Use images, color, and typography in the web design process. Make the most of the great editing and visualization tools. Prepare to be a web design professional by understanding the theory and practice behind modern web design. This study guide uses more than 10 hours of video integrated with text to help you gain real world skills that will get you started in your career designing and building web pages using Adobe Dreamweaver CC 2018. It lays the foundation for taking the Adobe Certified Associate certification exam and helps prepare you for an entry level position in a competitive job market. Purchasing this book gives you access to valuable online extras. Follow the instructions in the book's Getting Started section to unlock access to Web Edition containing instructional video embedded in the complete text of the book with interactive review questions along with product updates. Downloadable lesson files you need to work through the projects in the book.

Learn Adobe Illustrator CC for Graphic Design and Illustration Dena Wilson, Rob Schwartz, Peter Lourekas, 2016-02-10. This study guide uses text integrated with video to help you gain real world skills that will get you started in your career in graphics design or illustration and lays the foundation for taking the Illustrator ACA exam. A mix of project based lessons, practical videos, and regular assessments throughout prepares you for an entry level position in a competitive job market. Adobe conducted research to identify the foundational skills students need to effectively communicate using digital media tools. Based on feedback from educators, design professionals, businesses, and educational institutions around the world, the objectives cover entry level skill expectations for each topic. The ACA exams have proved to be highly successful. Adobe reports that the total number of exams taken worldwide has reached one million since 2008. To create this new product, Peachpit and Adobe Press have joined forces with a team of outstanding instructors who have a great track record getting students certified.
