Doing Anger Differently Manual Michael

Currie,2008-01-02 Young non verbal and aggressive adolescent boys often feel constricted within their family environment swinging between explosive outbursts and sullen monosyllabic exchanges Such exchanges are the disturbing expression of a problem that parents often feel they can do little about except reply in kind The manner in which an adolescent understands and misunderstands events has a causative role in the problem of aggression Michael Currie presents here a new approach that allows parents and others to take a key role in shaping this mis understanding of adolescent children Doing Anger Differently presents complex theoretical issues from the existing adolescent and aggression treatment literature in a set of clear and practical principles which are illustrated with case studies taken from the author s years of experience working

with angry boys Parents teachers or anyone who has contact with adolescents can adapt these principles to help them deal with aggressive boys
