Adult Education Sérgio Haddad,1997-11-30 The studies contained in this volume present a sampling of policy and legislation relating to adult learning in various parts of the world They were produced in the context of a more complete survey under the auspices of the UNESCO Institute for Education VIE in cooperation with the University of Florence which sought to identify tendencies in this field over the past few years The international research project under which these national studies were made was developed under the direction of Paul Belanger Director of UIE and Paolo Federighi Professor at the University of Florence An international publication by the two project directors due to appear at the beginning of 1997 will report on the findings of the project which involves 26 countries The contributions presented here reflect a broad geographical spectrum as well as a wide range of policy models From an analysis of these studies it is apparent that this is a field in which there has been much innovation and which encompasses markedly varying approaches in response to different national conditions

ADHD in Adults Craig B.H. Surman,2012-11-29 ADHD in Adults A Practical Guide to Evaluation and Management is the product of a unique collaboration of international specialists This volume offers easy to read guidance and includes checklists rating scales and treatment planning tools It was designed for a broad audience of caregivers working in diverse settings including psychiatrists social workers primary care physicians nurse specialists and psychologists The authors are highly acclaimed clinicians investigators and educators They offer step by step guidance for implementation of best practices drawing from clinical research and their experience treating thousands of patients They cover diagnosis treatment planning and state of the art application of pharmacology psychotherapy skill building family system and environmental interventions for both simple and complex cases The scales and worksheets in this Guide were developed to efficiently facilitate assessment and management The Editor is an international leader in the field from the Clinical and Research Program in Adult ADHD at Massachusetts General Hospital MGH and Harvard Medical School which has made pioneering and highly cited contributions to the understanding of ADHD This Guide is a definitive indispensable resource for all health providers who wish to optimize their approach to adult patients with ADHD

Living Out Loud: An LGBTQ+ Guide to Courage and Self-Acceptance Wilian Fernandes Pereira ,2024-10-14 Hey I m Wilian and I want to introduce my book Living Out Loud I honestly hope you don t need this book That would mean we ve made real progress in accepting LGBTQIA people But I know some of us still struggle in silence I came out of the closet in 1999 and trust me it wasn t easy Back then there was a lot of fear and shame and unfortunately homophobia and prejudice still exist today Even now it can be tough to navigate life as a gay person Maybe you Are older and have hidden your true self for years Are married and still in the closet unsure of what to do Feel trapped by fear or confusion about your sexuality Have faced

rejection or denial and don't know how to move forward This book is for you or for someone you know who might be facing these challenges Living Out Loud gives you the tools to Overcome fear and shame Face prejudice and live openly Build the confidence to embrace your true self I'm the author of 7 published books with a degree in philosophy but more importantly my authority on this subject comes from my own experiences and those of my friends in the LGBTQIA community For just 5 dollars you can take the first step to living with confidence and pride If this book isn't for you it might be exactly what someone close to you needs Buy it now and start transforming your life or the life of someone you care about
