to vulnerability shame and resistance occupy a larger space in the book's chapters. These performances are messy not only in content or style; they reveal critical readings of how perceived as messy subjects and practices are shaped and regulated. In attending to the public, personal and structural uses of mess and emphasising the critical possibilities of what might otherwise be skipped over or cleared away, this book develops and opens out shared understandings of mess as creative chaos and as a practice of political action or change. This book will be of particular interest to students and scholars in contemporary theatre, art and performance.

The Making of The Magnificent Seven Brian Hannan, 2015-10-14 The story behind *The Magnificent Seven* could have been a movie in itself. It had everything: actors' strike, writers' strike, Mexican government interference and a row between the screenwriters that left one removing his name from the credits all under the lingering gloom of post-McCarthy era Hollywood. A flop on release, it later became a box office hit. This book tells the behind-the-scenes story: how Yul Brynner became the biggest independent producer in Hollywood; why John Sturges was not the first choice after Brynner surrendered the director's chair; why Sturges quit; the truth about the Mirisch Company producers; the details of the film's botched release and unlikely redemption; the creation of Elmer Bernstein's classic score and how internecine fighting prevented the making of the television series in 1963. Myths about Steve McQueen, his feud with Brynner and the scene-stealing antics of the cast are debunked. A close examination of the various screenplay drafts and the writers' source material. Akira Kurosawa's *Seven Samurai* shows who wrote what. Extensive analysis of Sturges' directorial work is provided.

Rai #11 Matt Kindt, 2015-10-21 Acclaimed writer Matt Kindt and superstar artist Clayton Crain bring *THE ORPHAN* to a brutal boiling point. Now that Rai's allies back on New Japan have reunited, they must figure out a plan to retrieve their friend and topple Father's rule once and for all. Meanwhile, Rai has his work cut out for him on Earth as his past sins come back to haunt him. Luckily for our hero, justice is eternal.

The Thick and the Lean Chana Porter, 2023-04-18 In Lambda Award finalist Chana Porter's decadent and richly imagined novel, Alexandra Kleeman, author of *You Too Can Have a Body Like Mine*, an aspiring chef, a cyberthief and a kitchen maid each break free of a society that wants to constrain them. In the quaint religious town of Seagate, abstaining from food brings one closer to God. But Beatrice Bolano is hungry. She craves the forbidden: butter, flambé, marzipan. As Seagate takes increasingly extreme measures to regulate every calorie, its citizens consume. Beatrice must make a choice: give up her passion for cooking or leave the only community she has known. Elsewhere, Reiko Rimando has left her modest roots for a college tech scholarship in the big city. A flawless student, she is set up for success until her school pulls her funding, leaving her to face either a mountain of debt or a humiliating return home. But Reiko is done being at the mercy of the system. She forges a third path outside the law. With the guidance of a mysterious cookbook written by a kitchen maid centuries ago, Beatrice and Reiko each grasp for a life of freedom, something more easily imagined than achieved in a world dominated by catastrophic corporate greed. A startling fable of the entwined perils of capitalism, body politics and the stigmas women face for appetites of every kind, Chana Porter's profound new novel explores

the reclamation of pleasure as a revolutionary act *Gilf Kebir National Park* Alberto Siliotti, 2010 In the far southwestern corner of Egypt lies one of the most fascinating and least known regions of the Sahara Desert declared a National Park by the Egyptian government in 2007 for its great archaeological and natural historical heritage The Gilf Kebir a broad massif twice the size of Corsica and Gebel Uweinat a 2 000 meter inselberg were discovered only in the 1920s and explored in the decades following but today an increasing number of visitors are able to reach this unique area on long desert expeditions and experience for themselves the special geology and ecology of the place and the extraordinary rock paintings from Neolithic times Now in lucid text and colorful photographs drawings maps and satellite images Alberto Siliotti guides the intrepid visitor to the features of the National park with notes on what to take on such a long desert trip and what not to leave behind *The Art of Joe Kubert* Bill Schelly, Joe Kubert, 2011-10-31 Joe Kubert is one of the great comic book artists His career literally traverses the history of comics beginning in 1938 when he became a professional at age 12 to today as one of the greatest draftsmen working in the field Kubert is known and respected as much for his sinewy passionate drawing as he is for his consummate storytelling skills Over his 70 year career in comics he has worked as an artist an editor a publisher an entrepreneur and a cartooning auteur The Art of Joe Kubert is a deluxe full color book that honors this legendary creator with beautifully reproduced artwork from every phase of his career as well as critical commentary by the book's editor comics historian and Kubert biographer Bill Schelly *DF ROMITA LEGACY HC ROMITA SR and JR COVER ART ED* , 2010-05-18 The Romitas are one of the few royal families in comics If you haven't had a chance to fully appreciate their work here's your chance It's a fun ride I hope you enjoy it as much as we have in putting this book together With an introduction by Alex Ross and an afterword by Stan The Man Lee this hardcover book is perfect for every Spider Man fan young and old
