The National Health Act - A Guide , *In The Name Of The Father* Rebone Makgato, 2013-09-03 When unemployed Zimbabwean Promise Murewa was apprehended at a roadblock outside Polokwane City one night he did not have a drivers licence He also did not have legal papers to be in South Africa The police found that the car he was driving belonged to a Catholic priest called Father Dorota Promise was detained and later information emerged that Father Dorota was murdered on the same night So Promise became a suspect in the murder of the priest Promise s story plays out in the courtroom as the events leading to the death of Father Dorota are revealed before Judge Mulder While the state had been able to secure an attorney to defend Promise a social group of Zimbabwean expatriates believes that there is more to the crime Promise is accused of committing than meet the eye The group hires Solly ka Afrika a private investigator to find out what really took place And thus the audience gets transported back to the 60s and the 70s where they encounter the sordid life of the dead priest As the worms begin to crawl out of the woodwork the audience and the prosecution realise that Father Dorota was not a saint he was portrayed to be For the fight for Promise s survival centres around the repugnant sexual abuses that he suffered at the hands of the man he is tried for killing It is left to Judge Mulder to deliberate whether Promise is guilty of the crime or not But did Promise kill the priest or not

officials and donors with timely analysis on what could be done differently to meet the needs and rights of survivors of gun violence This volume speaks to me both as a government official and as a survivor of gun violence I know first hand how painful the aftermath of such a life changing event can be But I also know it is possible to recover and make a positive difference in society I hope this book will inspire other survivors to follow this path Len n Moreno Garc s Vice President Ecuador Little attention has been paid to the fact that for every person killed by gun violence as many as six victims will survive often with severe disabilities The long term physical and psychological damage social and economic impacts can no longer be overlooked Bringing together voices of survivors as well as health medical rehabilitation and legal concerns this book represents a significant step forward outlining key issues for policy practice and intervention It is a must read for anyone concerned about human rights and violence and that should mean all of us Nora Ellen Groce Director Leonard Cheshire Disability Inclusive Development Centre University College London UK Every year hundreds of thousands of victims of gun violence together with their families experience the real costs of the availability and misuse of arms in our communities For these victims to attain their basic human rights so often denied them we need a better understanding of their predicament challenges and needs Gun Violence Disability and Recovery with its comprehensive overview and analysis will critically inform our efforts to develop and implement better policies and practices to enhance the realisation of the rights of survivors of armed violence including implementation of the Arms Trade Treaty Espen Barth Eide former Minister of Foreign Affairs Norway The reality of survivors of gun violence my reality is so often lost in narrow political and economic interests This volume gives me hope that attention to life after gun violence will begin to receive long overdue attention and contribute to the long haul effort of improving services for survivors as well as working towards accountability about the arms trade Shelley Barry filmmaker South Africa International development goals including the Millennium Development Goals will not be achieved if the rights of people with disabilities are not met Through a broad range of case studies and examples from low and middle income countries this book shows us how States could do better Let us hope that its message is heard As a
