2 CHRONICLES 20:13-20 (NRSV)

13 Meanwhile all Judah stood before the Lord, with their little ones, their wives, and their children.

14 Then the spirit of the Lord came upon Jahaziel son of Zechariah, son of Benaiah, son of Jeiel, son of Mattaniah, a Levite of the sons of Asaph, in the middle of the assembly.

15 He said, "Listen, all Judah and inhabitants of Jerusalem, and King Jehoshaphat: Thus says the Lord to you: 'Do not fear or be dismayed at this great multitude; for the battle is not yours but God's.

16 Tomorrow go down against them; they will come up by the ascent of Ziz; you will find them at the end of the valley, before the wilderness of Jeruel.

17 This battle is not for you to fight; take your position, stand still, and see the victory of the Lord on your behalf. O Judah and Jerusalem.' Do not fear or be dismayed; tomorrow go out against them, and the Lord will be with you."

18 Then Jehoshaphat bowed down with his face to the ground, and all Judah and the inhabitants of Jerusalem fell down before the Lord, worshiping the Lord.

19 And the Levites, of the Kohathites and the Korahites, stood up to praise the Lord, the God of Israel, with a very loud voice.

20 They rose early in the morning and went out into the wilderness of Tekoa; and as they went out, Jehoshaphat stood and said, "Listen to me, O Judah and inhabitants of Jerusalem!

16 To morrow go ye down against them: behold, they come up by the cliff of Ziz; and ye shall find them at the end of the brook, before the wilderness of Jeruel.

17 Ye shall not need to fight in this battle: set yourselves, stand ye still, and see the salvation of the Lord with you, O Judah and Jerusalem: fear not, nor be dismayed; to morrow go out against them: for the Lord will be with you.

18 And Jehoshaphat bowed his head with his face to the ground: and all Judah and the inhabitants of Jerusalem fell before the Lord, worshipping the Lord.

Published by the Author Bryan Sinche, 2024-04-10 Publication is an act of power It brings a piece of writing to the public and identifies its author as a person with an intellect and a voice that matters Because nineteenth century Black Americans knew that publication could empower them and because they faced numerous challenges getting their writing into print or the literary market many published their own books and pamphlets in order to garner social political or economic rewards In doing so these authors nurtured a tradition of creativity and critique that has remained largely hidden from view Bryan Sinche surveys the hidden history of African American self publication and offers new ways to understand the significance of publication as a creative reformist and remunerative project Full of surprising turns Sinche's study is not simply a look at genre or a movement it is a fundamental reassessment of how print culture allowed Black ideas and stories to be disseminated to a wider reading public and enabled authors to retain financial and editorial control over their own narratives

The Black American Church Dr. Khandicia N. Randolph, 2023-04-28 The purpose of this book seeks to examine the leadership of the Black church through a critical and theoretical lens utilizing historical and anthropological foci to better identify and understand some of the challenges within the paramount institution and its attrition to the Black American community at large and provide appropriate suggestions and generating frameworks for addressing the challenges The church has always played a pivotal role in Black American culture's identity development and progression Leadership and organizational challenges within the church pervasively matriculate to other Black spaces historically Black organizations and a broader societal context Due to the church's

historical and ethnographic context for Blacks in America many of the challenges faced in the church go unrecognized unspoken thus unattended This manuscript endeavors to identify the challenges and flaws through research and data to provide solutions through practical and theoretical implementations to some shortcomings for the betterment of the church and culture The interconnectedness of culture and religion for Blacks in America established a gargantuan impact factor on the church and its leaders This manuscript examines the pervading effects of the influence through leadership dispensation It also explores the understanding of leadership through the lens of Black Christianity deriving that the foundation of leadership in the Black community was primarily circumscribed by the influence of the church as conglomerate collectivism of almost five hundred years of the history and culture of Africans African descendants and members of the African diaspora in what is now America who contributed to the ideal of the Black church The critical analysis provided is not one of condemnation but likened to a vital performance review through member experiences barred against applicable leadership and organizational development barometers

Beyond Therapy Erving Polster, 2017-09-08 In *Beyond Therapy* Erving Polster examines the role of life focus in three of society's most familiar activities: ordinary conversation, the arts, and religion. He shows the life focus movement to be an indivisible complement to just simply living. In proposing a paradigm shift from psychotherapy's priority for changing people's troubled lives into the complementary purpose of illuminating their lives, the author invites the participation of many people who do not seek remedial treatment for emotional or psychological problems. Polster incorporates a broader scenario for enhancing attention through community groups, showing that the convergence of people's minds on commonly important life themes creates enlightenment. This interlocked focus amplifies the ensuing conversational content and creates a meditation-like absorption. This kind of pointed focus, argues Polster, has the power to colour the lives of the participants. This work offers rationale and design for life focus community groups and also creates a heightened identity for the life focus movement, providing other foundational ideas that help to unify diverse approaches. Mental health professionals will benefit from its wealth of specific exercises and instructions for program design. Polster provides leaders and group members with a well-rounded perspective on the basics of personal enlightenment and communal belonging.

U.S. Domestic and Transnational Terrorism Joseph A. Ruffini, Patricia A. Ruffini, 2025-09-15 *U.S. Domestic and Transnational Terrorism* is an easy-to-read and comprehensive primer detailing the essential information necessary to understand the current terrorist landscape and threats. The book defines terrorism and outlines the distinctions between what are considered terror attacks, criminal acts, and hate crimes. In looking at both U.S. domestic and transnational terror organizations, the coverage provides a profile of groups, tactics, attack and operational hallmarks, illegal activities to date, and the ongoing threats they present. The book highlights the need for preparedness and vigilance but not paranoia, proposing ways in which American authorities and the citizens that they serve can greatly enhance terror awareness, preparedness, and prevention. *U.S. Domestic and Transnational Terrorism* serves as both an essential manual and a reference book for a wide variety of readers. This includes homeland security practitioners, federal government and Department of Defense forces and protection personnel, security and anti-terrorism professionals, law enforcement agencies, fire and medical first responders, and academic institutions offering courses in homeland defense, security, and transnational terrorism studies, and everyday citizens who wish to be informed and aware.

Exporting Reconstruction Ryan P. Semmes, 2024-11-21 How Reconstruction-era political battles reflected global struggles over the era's core ideals. *Exporting Reconstruction* examines Ulysses S. Grant's Reconstruction-era policy, both foreign and domestic, as an integrated whole. Grant's vision for America's international role in the aftermath of the Civil War was best articulated in his 1869 memorandum considering whether the United States should annex the Dominican Republic. Grant envisioned a combined domestic and foreign policy of Reconstruction, one predicated on spreading the values of liberty, equality, and the rights of citizenship to not only the Dominican Republic but also other

Caribbean nations as well as to Native Americans and Chinese immigrants living in the United States but seen as aliens within the nation Author Ryan P Semmes interprets the Grant era policy of Reconstruction as an all encompassing agenda that imagined the United States as the arbiter of civil rights for the Western Hemisphere Exporting Reconstruction shows readers that unlike presidents before and after his administration Grant hoped to increase not only the United States s imperial reach but also extend freedom and liberty to people beyond the borders of North America **Applied Media**
