Guided Reading: Government in Colonial America

Directions: Read the main ideas for sections JCE and use Chapter 2 + Lessons 2 and 3 to complete the paragraphs that follow, with the words inserted in the columns (first) provided. Then, in the Summary, I will then use these answers to the questions in the space provided.

A. While many English colonists, ideas about the role and shape of government influenced the growth of the colonies, the laws that (1) governed and the system of government that (2) ruled had to be created.

1. Colonial, Christianity, culture, and (3) influenced from British lawmakers are important contributions to the founding principles and development of the United States.

2. The principle that a government's power is derived absolutely from the people is (4) the Magna Carta, which the English people have regarded as a guarantee of (5) limited, government.

3. The English (6) Bill of Rights and other documents that (7) established and confirmed principles, documents applied to them and gave them the same rights as people living in Britain.

4. The English system of (8) law, especially as organized by the (9) Parliament, was widely followed in the colonies.

5. British (10) Parliament, with (11) representatives elected by the people, was a familiar example of (12) representative, government, but the colonies (13) rejected it.

6. Thomas Hobbes developed the (14) Social Contract, theory, which suggested that people (15) give up their individual sovereignty to the government in exchange for the government's maintenance of law and order.

7. John Locke believed that people have (16) natural, rights, as human beings and a government that failed to protect these rights was not a legitimate government.

8. John Locke believed (17) that, people's, consent, legitimized that people rights and responsibilities (18) are, not, separated as a community, separately, created as a social contract to protect their rights while creating law and government.

9. Charles-Louis de Montesquieu suggested (19) separation, the powers of government.

10. While many English colonists, ideas about the role and shape of government influenced the growth of the colonies, the laws that (20) governed and the system of government that (21) ruled had to be created.
