You may not have a Ph.D. in history, but you already know or can readily believe that Columbus didn't exactly discover America. Or that the man who wrote the Declaration of Independence was a slaveholder. Or that our leaders may not be entirely committed to the effort to make sure that in fact no child is left behind. But the truth of individual lives can be more compelling than they initially appear: surprising, informative, and maybe even inspiring. This book explores a few such lives and the lessons they offer in ways that might actually mean something outside a
