Codman Potter, Samuel Macauley Jackson, 1899 American Lutheranism Friedrich Bente, 2017-06-09 AMERICAN
LUTHERANISM Volume I Early History of American Lutheranism and The Tennessee Synod By F BENTE St Louis Mo
CONCORDIA PUBLISHING HOUSE 1919 PREFACE Essentially Christianity is the special divine faith in the truth revealed by
the Bible that we are saved not by our own efforts works or merits but alone by the pure and unmerited grace of God secured
by Christ Jesus and freely offered in the Gospel And the Christian Church is the sum total of all those who truly believe and
therefore confess and propagate this truth of the Gospel Accordingly the history of Christianity and of the Christian Church is
essentially the record concerning this truth viz how when where by whom with what success and consistency etc it has been
proclaimed received rejected opposed defended corrupted and restored again to its original purity Lutheranism is not
Christianity plus several ideas or modifications of ideas added by Luther but simply Christianity consistent Christianity
neither more nor less And the Lutheran Church is not a new growth but merely the restoration of the original Christian
Church with its apostolic pure confession of the only saving Christian truth and faith The history of Lutheranism and of the
Lutheran Church therefore is essentially the story concerning the old Christian truth restored by Luther viz how by whom
where when etc this truth was promulgated embraced rejected condemned defended corrupted and restored again to pristine
purity As for American Lutheranism it is not a specific brand of Lutheranism but simply Lutheranism in America for
doctrinally Lutheranism like Christianity with which it is identical is the same the world over Neither is the American
Lutheran Church a distinct species or variety of the Lutheran Church but merely the Lutheran Church in America The
modified Lutheranism advocated during the middle of the nineteenth century as American Lutheranism was a misnomer for
in reality it was neither American nor Lutheran but a sectarian corruption of both Hence also the history of American
Lutheranism is but the record of how the Christian truth restored by Luther was preached and accepted opposed and
defended corrupted and restored in our country at various times by various men in various synods and congregations In the
history of American Lutheranism four names are of special significance Muhlenberg Schmucker Walther Krauth H M
Muhlenberg endeavored to transplant to America the modified Lutheranism of the Halle Pietists S S Schmucker's ambition

was to transmogrify the Lutheran Church into an essentially unionistic Reformed body C F Walther labored most earnestly and consistently to purge American Lutheranism of its foreign elements and to restore the American Lutheran Church to its original purity in doctrine as well as in practise In a similar spirit Charles Porterfield Krauth devoted his efforts to revive confessional Lutheranism within the English portion of our Church

The Early History of the Lutheran Church in Georgia Hermann Winde, 2021-03-29 Beginning with the immigration of the Georgia Salzburger s religious exiles from Europe The Early History of the Lutheran Church in Georgia tells a story of faith

and struggle that is deeply embedded in the religious and cultural life of the American colonial South. Previously unpublished and untranslated Hermann Winde's dissertation laid the foundation for a limited group of scholars and specialists who have continued to develop that story for over four decades. Now both the detail that emerges through Winde's primary sources and the breadth of the connections he makes across colonial Georgia's geographical and cultural landscape will continue to appeal to scholars and general readers alike as they enter the world of Georgia's first Lutheran communities. *Learning to Pray in the Lutheran Sunday School 1942-1952* ,
