 Since the Bible was first written the book of Revelation has provided readers with a glimpse of what is to come But even as
 the world rapidly fulfills the ancient Scripture many still avoid its obscure symbolic language which often lends itself to
 fanatical interpretation In Looking into the Revelation a seasoned pastor uses various version of the Bible to provide a clear
 explanation of biblical texts relating to the end of the world as we know it Dr Boyd Gray a minister with more than thirty
 years of experience offers a comprehensive study from the premillennial view based on his opinion that the masses are either
 not ready for the return of Christ or have dismissed it as myth altogether As Dr Gray works his way through Scripture
 detailing the truths of John the Apostle and the predicted tribulations of the Antichrist he demonstrates through his
 interpretations that Gods Word is the trutha message he hopes will motivate sinners to heed the Lords gracious call to
 salvation Looking into the Revelation shares a careful examination of biblical text that seeks to encourage people of all faiths
