Andrew Mccarthy National Review:

The Scandalous Presidency of Barack Obama Matt Margolis, 2018-04-03 I'm proud of the fact that we're probably the first administration in modern history that hasn't had a major scandal in the White House. So President Barack Obama boldly declared before leaving office and numerous times since. But is it true? Not according to Matt Margolis, bestselling co-author of *The Worst President in History: The Legacy of Barack Obama*. Margolis lays out the details of literally dozens of Obama administration scandals that have been ignored, downplayed, or covered up by the mainstream media. From Fast and Furious to the illegal IRS targeting of conservative groups to the recent NSA spying outrage, Margolis makes a powerful case that the Obama years represented nearly a decade of lawless and abusive governance. While Obama and his allies attempt to spin the narrative that his presidency represented a time of pristine politics, it's critically important that Americans understand the truth Barack Obama brought to Washington: corrupt Chicago machine politics of cronyism and corporate payoffs combined with audacious Alinskyite tactics aimed at dividing Americans and destroying his opponents. Obama's legacy will be discussed and debated for decades. But in the early months after he left office, more scandals have been uncovered, most notably an illegal scheme of using the NSA to spy on his political opponents and the frightening decision to block the prosecution of Iranian-backed terrorists. Far from being a virtuous New Camelot, the Obama administration abused its power like few others.

For God and Country Ralph Reed, 2020-03-31 Donald Trump, Defender of Religious Freedom. In 2016, many Christian leaders at first opposed candidate Donald Trump. He was a former social liberal, and his occasional vulgarity, multiple marriages, and divorces and tabloid scandals made it impossible for him to defend Christian values in public life. Or so they thought. Trump nevertheless won four-fifths of the Evangelical vote in 2016, as well as the majority of the Catholic vote. And in 2020, the idea that he can't represent Christians is demonstrably false. He has been the most ardent and effective presidential defender of religious liberty and the pro-life cause since Ronald Reagan, and perhaps in U.S. history. In *For God and Country*, Dr. Ralph Reed draws on his deep knowledge of American history, his unsurpassed experience as a political strategist, his personal dealings with President Trump and the First Family, and his moral commitment as a Christian to show why Catholics and Evangelicals should continue to strongly support their unlikely champion. In *For God and Country*, Reed reveals the sincerity of President Trump's defense of the Christian faith and why he has delivered policy victories when other pro-Christian presidents haven't. Why Trump is the most pro-Israel president in American history. How liberals hope to demoralize Christians and thus defeat Donald Trump and reverse his pro-life, pro-family, pro-religious freedom policies. Why Never Trump Christians naively preach de facto political surrender. *For God and Country* is not just required reading for the 2020 election; it is required reading for every conservative Christian who loves America and wants to return it to Christian values. **The Arab-Israeli Conflict in American Political Culture** Jonathan Rynhold, 2015-02-23 This book surveys discourse and opinion in the United States toward the Arab-Israeli conflict since 1991. Contrary to popular myth, it demonstrates that U.S.

support for Israel is not based on the pro Israel lobby but rather is deeply rooted in American political culture That support has increased since 9 11 However the bulk of this increase has been among Republicans conservatives evangelicals and Orthodox Jews Meanwhile among Democrats liberals the Mainline Protestant Church and non Orthodox Jews criticism of Israeli policies toward the Palestinians has become more vociferous This book works to explain this paradox **Oversight of the U.S. Department of Justice** United States. Congress. Senate. Committee on the Judiciary,2011 *Politically Incorrect Guide to Immigration* John Zmirak,Al Perrotta,2018-05-21 America s immigration crisis is out of control Unregulated immigration has led to an increase in crime a loss of working class jobs an inflated welfare state and an elevated amount of terror threats on our home territory The clash of differing emotions facts and opinions reveal that this issue is not simply a nationwide disagreement it is an American crisis In *The Politically Incorrect Guide to Immigration* authors John Zmirak and Al Perrotta debunk the Left s most deceptive myths on this complex policy issue and reveal the huge implications that lie ahead for our nation s future Zmirak and Perrotta set the record straight on the history of American immigration uncover the principles with which our forefathers migrated to America affirm the respect with which migrants should treat our country if they wish to live here and assert real solutions to the immigration crisis America faces *The Politically Incorrect Guide to Immigration* equips readers with real life statistics and information and is packed with targeted arguments to help convince even the staunchest advocates for open borders that America needs to build The Wall You may think you know all about immigration but in *The Politically Incorrect Guide to Immigration* you ll learn Building The Wall would cost less than half of what we spend to educate illegal immigrants every year Illegal immigration costs American taxpayers 116 billion a year 62% of naturalized immigrants are for the Democrats only 25% are for the Republicans Competition from immigrants costs American worker 450 billion a year The Founders wanted to admit only immigrants who would make a net contribution and assimilate Millions of nineteenth century immigrants who couldn t make it in American went back home The percent of foreign born in the United States today is the highest since World War I and this time we re not doing Americanization After Reagan s 1986 Amnesty the illegal population went from 3 2 million to 11 million Over 700 000 foreign visitors to the United States in 2016 overstayed their visas Eighty percent of Central American women and girls who enter the United States illegally are raped along the way Non citizens are only 9 percent of our population but 27 percent of federal prisoners One hundred forty seven million more people from around the world would like to move to the United States Providing for Authority to Initiate Litigation,...July 28, 2014, 113-2 H.Rept. 113-561, Part 1 ,2014 The Great Destroyer David Limbaugh,2014-10-14 Sean Hannity called it A must read book on the Obama administration s shameless pillaging of America Now updated with a new introduction previewing Obama s second term David Limbaugh s New York Times bestseller *The Great Destroyer* is more important than ever as a comprehensive indictment of Barack Obama s war on freedom prosperity and American power Canceling Lawyers W. Bradley Wendel,2024 Lawyers who are criticized for representing unpopular

clients in today's political climate these may include firearms manufacturers fossil fuel companies and powerful men accused of sexual misconduct explain that the long tradition of representing everyone is an essential ingredient in the defense of the rule of law They may see contemporary episodes of criticism as the threat of mob rule Like much of the controversy nowadays over cancel culture the two sides seem to be talking past each other This book explains that both sides are onto something The rule of law is a valuable political ideal but lawyers are people too and others care about the attitudes and motivations that underlie the representation of controversial clients **American Ingrate** Benjamin

Weingarten, 2020-03-17 She says that America was founded by the genocide of indigenous people and on the backs of slaves and that ignorance really is pervasive among Americans today She says America must dismantle capitalism and demilitarize U S foreign policy which she sees from the perspective of a foreigner tweeting thousands of Somalis were killed by American forces NotTodaySatan She says American support for Israel is all about the Benjamins baby and that American Jews disloyally pledge allegiance to Israel's apartheid regime which has hypnotized the world She says of the 9 11 attacks some people did something Shockingly Congresswoman Ilhan Omar's D MN words merely scratch the surface of her hatred of America and the West and divert our gaze from the nefarious actions she is taking to sabotage it from within American Ingrate is the defining book on the size scope and nature of the threat posed by Representative Omar the personification of the anti American Left Islamist nexus heightened by her hidden collusion with like minded adversaries foreign and domestic and alleged criminality and corruption This is a clarion wakeup call to the dangers epitomized by Rep Omar For she is not merely a lone radical in Congress but the archetype of the new Democratic Party and a uniquely dangerous figure at the heart of a uniquely dangerous challenge to America **The Necessary Evil of Preventive Detention in the War on**

Terror Stephanie Cooper Blum, 2008 This book explores the underlying rationales for preventive detention as a tool in this war on terror analyzes the legal obstacles to creating a preventive detention regime discusses how Israel and Britain have dealt with incapacitation and interrogation of terrorists and compares several alternative ideas to the administration's enemy combatant policy under a methodology that looks at questions of lawfulness the balance between liberty and security and institutional efficiency In the end this book recommends using the Foreign Intelligence Surveillance Court to monitor a narrow regime of preventive detention only to be used under certain prescribed circumstances where interrogation and or incapacitation are the justifications This book is an essential reference for collections in American studies political science and national security studies **BOOK JACKET** **The Murder of the Middle Class** Wayne Allyn Root, 2014-07-14 The great

American middle class is dying and not from natural causes The Murder of the Middle Class exposes the crime and indicts the conspirators from the Obama administration to their willing accomplices in big business big media and big unions naming names and pointing out their misdeeds Bestselling author Wayne Allyn Root doesn't just prove the crime and profile the suspects he provides bold solutions to save American capitalism the middle class the GOP and YOU This middle class warrior

gives you the game plan and the weapons to fight back The National Security Court System Glenn Sulmasy,2009-08-06 Glenn Sulmasy proposes a third way solution that avoids the extremes of an unaccountable military court system on the one hand and funneling war on terror detainees into the domestic criminal court system on the other Instead he advocates creating a separate standing judicial system overseen by civilian judges that allows for habeas corpus appeals and which focuses exclusively on existing war on terror cases as well as the inevitable cases to come Jacket **Understanding Media Propaganda in the 21st Century** Simon Foley,2021-09-02 First published in 1988 Herman and Chomsky s Manufacturing Consent remains the go to book for those interested in understanding why the mainstream media act as vehicles for power elite propaganda The analytical heart of Manufacturing Consent lies in what it calls The Propaganda Model According to this model there are five filters which all newsworthy stories have to pass through before reaching the public sphere However a lot has changed in the subsequent thirty something years Consequently a key question that needs to be addressed is whether Manufacturing Consent is still fit for purpose The conceit underpinning Understanding Media Propaganda in the 21st Century Manufacturing Consent Revisited and Revised is that the election of Trump in 2016 constitutes the proverbial year zero for fourth estate journalism As a result of the journalistic cultural revolution that ensued it argues that the Propaganda Model needs to be overhauled if it is to retain its epistemological bona fides To this end this book is a radical in the true critical sense of the word intervention into the propaganda fake news debate For students in the broadest sense of the term of media studies journalism communication studies and sociology it provides both a compelling critique of Herman and Chomsky s Propaganda Model while at the same time proffering a new explanatory model to understand why MSM output typically replicates the stenographer for power playbook *Congressional Record* United States. Congress, The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **U.S. National Debate Topic, 2005-2006** Lara Weibgen,2005 An overview of the relationship between personal freedom and national security through speeches addresses and articles **Dual Citizenship, Birthright Citizenship, and the Meaning of Sovereignty** United States. Congress. House. Committee on the Judiciary. Subcommittee on Immigration, Border Security, and Claims,2006 *Governing the Displaced* Ali Bhagat,2024-02-15 Governing the Displaced answers a straightforward question how are refugees governed under capitalism in this moment of heightened global displacement To answer this question Ali Bhagat takes a dual case study approach to explore three dimensions of refugee survival in Paris and Nairobi shelter work and political belonging Bhagat s book makes sense of a global refugee regime along the contradictory fault lines of passive humanitarianism violent exclusion and organized abandonment in the European Union and East Africa Governing the Displaced highlights the

interrelated and overlapping features of refugee governance and survival in these seemingly disparate places In its intersectional engagement with theories of racial capitalism with respect to right wing populism labor politics and the everyday forms of exclusion the book is a timely and necessary contribution to the field of migration studies and to political economy

Unmasking Obama Jack Cashill, 2020-08-18 During the Obama years an asymmetrical media war was waged to control the critical first draft of American history There is no fair way to record that history without first acknowledging the war The field of battle shaped up as follows on the right the alternative conservative media and the responsible right occasionally working together often working at odds on the left the mainstream media the social media giants Hollywood Broadway the federal bureaucracies the national security apparatus and what Ray Bradbury would call firemen the virtual book burners amateur and professional Rarely at odds these forces routinely worked together to amplify what Obama adviser Ben Rhodes famously called the White House's messaging campaign Money resources and power overwhelmingly favored the left but the right had the equalizer on its side the truth

What's Wrong with Obamamania? Ricky L. Jones, 2010-03-10 Barack Obama's sudden arrival on the national scene has created a wave of excitement in American politics a phenomenon that has been dubbed Obamamania In *What's Wrong with Obamamania* Ricky L. Jones places Obama's run for the presidency in the context of deep and often disturbing shifts in black leadership since the 1960s From Charles Hamilton Houston to Thurgood Marshall to Jesse Jackson from prosperity preachers to megachurches from W E B Du Bois's Talented Tenth and civil rights advocates to Black Entertainment Television and hip hop culture Jones paints a picture of lowered expectations cynicism and nihilism that should give us all pause

Culture of Corruption Michelle Malkin, 2010-08-09 Barack Obama's approval ratings are at an all time low A recent Gallup poll found that half of the Americans polled said Obama did not deserve a second term Weary of the corruption that gushes from the White House faster than a Gulf Coast oil spill voters are ready to put a cap on smear campaigns pay to play schemes recess appointments and Chicago politics In the updated paperback edition of her 1 New York Times bestselling book *Culture of Corruption Obama and His Team of Tax Cheats Crooks and Cronies* Michelle Malkin says I told you so citing a new host of examples of Obama's broken promises and brass knuckled Chicago way
