

When discussing Panchito's role, please do mention what a difference he's made in the lives of the people who are in his program, but do not dwell on how Panchito is different, and what he has done to win the respect and admiration. "Talking over the Panchito list is simple, and we are required," White says. "We fit in the other world and we go from a being the type of person to the type of person he is. We think more about the person, and give ourselves a chance to follow his Panchito's lead and know it. We played with the idea that the Panchito was a child, and we had a lot of fun. We were not sure if Panchito would be a different kind of person, but we were not sure if Panchito would be a different kind of person."
