Deshaye,2023-11-28 The Contemporary Leonard Cohen is an exciting new study that offers an original explanation of Leonard Cohen s staying power and his various positions in music literature and art The death of Leonard Cohen received media attention across the globe and this international star remains dear to the hearts of many fans This book examines the diversity of Cohen s art in the wake of his death positioning him as a contemporary multi media artist whose career was framed by the twentieth century and neoliberal contexts of its production The authors borrow the idea of the contemporary especially from philosophy and art history applying it to Cohen for the first time not only to the drawings that he included in some of his books but also to his songs poems and novels This idea helps us to understand Cohen s techniques after his postmodern experiments with poems and novels in the 1960s and 1970s It also helps us to see how his most recent songs poems and drawings developed out of that earlier material including earlier connections to other writers and musicians Philosophically the contemporary also sounds out the deep feelings that Cohen s work still generates in readers and listeners Whether these feelings are spiritual or secular sincere or ironic we get them partly from the sense of timeliness and the sense of timelessness in Cohen s lyrics and images which speak to our own lives and times our own struggles and survival From a set of international collaborators The Contemporary Leonard Cohen delivers an appreciative but critical examination of one of our dark luminaries *The New York Times Saturday Review of Books and Art* ,1968 **Simply Sacred** Joanne Wiens,2022-02-15 What s a face saving response when a principal comments on a spider a young boy is carefully drawing only to be informed that his artwork actually depicts Jesus on the cross There may not be one but in Simply Sacred there is a faith saving option to alter one s perspective to see that ordinary days almost always hold sacred moments if we just take the

time to look Told from the standpoint of a farm girl who becomes the principal of a fledgling Christian school in a bustling city this collection of heartfelt stories shows us that the most timeless lesson for children and adults alike is to be schooled in grace love and the way of peace *Christmas Pipes* Mary McKenna,2021-11-05 Christmas and Magic intertwine throughout the holiday season to create joy hope and love From elves solving disasters to angelic visitors from opinionated talking toys to the temptation of the faerie folk the stories in this collection bring more than a hint of magic to brighten winter evenings Includes The Sleigh Crash of 74 Angels We Have Heard Toy Shop Nights Rules and Christmas Pipes **Athenaeum and**
