
ANIMAL FARM - CHAPTER 5 QUESTIONS AND ANSWERS 2023

What did Mollie do? - At the beginning of winter Mollie tried to get out of doing work at every opportunity that she could

What did Clover see Mollie do?> - She saw Mollie allowing one of Mr Pilkington's men to stroke her on the nose while talking to her

What did clover do? - Clover went into Mollie's stall and turned over her hay to find that she was a little pile of sugar and a few ribbons.

What happened three days later, after the confrontation that Clover had with Mollie? - Mollie ran away, and was seen at Willingdon by the pigeons between the shafts of a dogcart painted red and black. Beside a red faced man who fed her sugar cubes.

What happened in January? - The weather was terribly cold and the land became as strong as iron, making it difficult for the animals to farm. Pigs were left in making the decisions about the farming for the following season. The weather is a foreshadowment of the terrible change to come.

What happened between Snowball and Napoleon? - The two pigs disagreed at every opportunity. snowball normally won because of his eloquent speech but Napoleon conjured up support in between time.

Which farm animal supported him? - The sheep. they took up bleating four legs good, two legs bad

What did snowball talk about? - The field drains, silage and basic slag, and worked out a method for the animals to drop their dung directly in the fields

After surveying the land, what did Snowball declare? - He declared that the long pastures not far from the farm buildings , there was a knoll which would be the place for a windmill which could power a dynamo and supply electricity to the farm. It could also run a circular saw, a chaff cutter and mangel-slicer and an electric milking machine. This meant that the machines would do the work for them while they grazed in the grass

Where did snowball's plans come from? - They came from three books which had belonged to Mr. Jones

What did Napoleon do to snowballs drawing of the plan for the windmills? - He scuffed at them and urinated on them

Animal Rights David DeGrazia,2002-02-21 Do animals have moral rights If so what does

this mean What sorts of mental lives do animals have and how should we understand welfare By presenting models for understanding animals moral status and rights and examining their mental lives and welfare David DeGrazia explores the implications for how we should treat animals in connection with our diet zoos and research Animal Rights distinguishes itself by combining intellectual rigour with accessibility offering a distinct moral voice with a non polemical tone ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable *Animal Husbandry Regained* John Webster,2013 The farming of animals for meat and milk confronts a stark dilemma While world demand from a growing and more affluent human population is increasing rapidly there are strong counter arguments that we should eat less meat and pay more attention to environmental protection animal welfare and human health and well being The aim of this book is to identify and explain the causes and contributors to current problems in animal husbandry especially those related to factory farming and advance arguments that may contribute to its successful re orientation Husbandry is considered in its broadest sense namely the productive and sustainable use of the land for the good of all plants humans and other animals The first part of the book outlines principles and arguments necessary to engage with current problems depletion of natural resources and destruction of environment animal welfare food and health fair trade and sharing resources These arguments are illustrated by examples and sufficient evidence to justify the argument without obscuring the message The second part presents a series of constructive proposals for change and development in animal husbandry both in the developed world and subsistence agriculture These include more integrated crop and livestock farming systems the ethics of animal welfare and environmental management and the evolution of a new social contract whereby the rights of the people to a fair share of good safe food and a green and pleasant land are matched by a shared responsibility to preserve these things Animal Breeding Orville L. Bondoc,2008 This book is an outstanding contribution to the very meager list of books and reading materials available to Filipino teachers students and practitioners working on animal improvement Dr Bondoc offers scholarly breeding principles based on his years of experience and research The Earth and Agriscience Brenda J. Scheil,Jasper S. Lee,1996 **Applying HACCP-based Quality Risk Management on dairy farms** J.P.T.M. Noordhuizen,J. Cannas da Silva,J.S.C. Boersema,A. Vieira,2023-08-28 Quality is a keyword in animal production Next to product quality process quality has also become relevant for dairy farmers Issues like food safety public health animal health and welfare are determined by the conditions of the production process To address these the EU has issued the General Food Law 178 2002 and the Hygiene directives EC 853 854 2004 dealing with the forenamed domains with the aim to protect consumers The suggestion was also made by the EU that farmers apply a HACCP like plan to meet these new quality demands Key issues are structure organisation planning formalisation and demonstrability which can

also be found in the HACCP concept This book addresses Quality Risk Management through applying the HACCP like concept First the assessment of strong and weak points on a dairy farm are dealt with which is useful for farm inspection and herd health programmes Then the 12 steps for developing a HACCP plan are followed through the various chapters Many examples and elaborations are given An example farm FX is introduced to show how the different elements may look in reality At the end of the book characteristics of entrepreneur like dairy farmers are given and compared to strong and weak points of cattle practitioners Practitioners may conclude how to better serve this type of farmer Communication plays a paramount role Finally several general issues are addressed economics integrating classical herd health with quality risk management programmes The aim of this book is to give practical guidelines and examples for dairy farmers cattle practitioners and extension people who desire to jointly develop and implement a HACCP based quality risk management programme This book is well written with many practical flow charts and Good Practice advice I would recommend it to any veterinarian involved in producing risk management programs or Standard Operating Procedure type documents for dairy farms The chapters on good communication and marketing would be useful for most veterinarians David S Beggs book review editor The Australian Cattle Veterinarian Volume 50 p 34 35 March 09
