Annoying The French Encore:

Annoying The French Encore! Stephen Clarke, 2012-08-16 A NOTE FROM THE AUTHOR Bonjour cher reader Ever since European history began we Brits have been happily engaged in our national pastime annoying the French And the past couple of years have shown that this annoying never stops To give just three examples After a mid Atlantic collision between French and British nuclear submarines France s Minister of Defence seemed to blame the accident on shrimps When French political superstar Dominique Strauss Kahn was arrested in New York France s establishment was outraged It soon emerged that sexual harassment was regarded as a basic human right by the country s male elite This theme provided so much excellent material that I decided to include it in the plot of my soon to be published novel *The Merde Factor* And when David Cameron walked out of a Eurosummit a French politician accused him of being like a man at a wife swapping party who refuses to bring his own wife Yes a very French image and it just one of the many anti Anglais insults that came flying across the Channel You will find all this and much more in *Annoying the French Encore* Because for the French the merde never ends Yours historically Stephen Clarke Paris August 2012 Tremendously entertaining Sunday Times Relentlessly and energetically rude Mail on Sunday

The French Revolution and What Went Wrong Stephen Clarke, 2018-05-03 An entertaining and eye opening look at the French Revolution by Stephen Clarke author of *1000 Years of Annoying the French* and *A Year in the Merde* *The French Revolution and What Went Wrong* looks back at the French Revolution and how it s surrounded in a myth In 1789 almost no one in France wanted to oust the king let alone guillotine him But things quickly escalated until there was no turning back *The French Revolution and What Went Wrong* looks at what went wrong and why France would be better off if they had kept their monarchy

How the French Won Waterloo - Or Think They Did Stephen Clarke, 2016-06-16 Published in the 200th Anniversary year of the Battle of Waterloo a witty look at how the French still think they won by Stephen Clarke author of *1000 Years of Annoying the French* and *A Year in the Merde* Two centuries after the Battle of Waterloo the French are still in denial If Napoleon lost on 18 June 1815 and that s a big if then whoever rules the universe got it wrong As soon as the cannons stopped firing French historians began re writing history The Duke of Wellington was beaten they say and then the Prussians jumped into the boxing ring breaking all the rules of battle In essence the French cannot bear the idea that Napoleon their greatest ever national hero was in any way a loser Especially not against the traditional enemy e les Anglais Stephen Clarke has studied the French version of Waterloo as told by battle veterans novelists historians e right up to today s politicians and he has uncovered a story of pain patriotism and sheer perversion

The Merde Factor Stephen Clarke, 2013 Englishman Paul West is doing his best not to annoy the French while living the Parisian dream But recent changes have been going wrong His apartment is so small that he has to cut his baguette in two to fit in the kitchen his business partner is determined to close their English tea room and his French ex girlfriend seems to be stalking him Threatened with eviction unemployment and bankruptcy Paul realises that the merde is about to hit the fan

BIOGRAPHY AUTOBIOGRAPHY ROYALTY This is the entertaining biography of Edward VII and his playboy lifestyle by Stephen Clarke author of *1000 Years of Annoying the French* and *A Year in the Merde* Despite fierce opposition from his mother Queen Victoria Edward VII was always passionately in love with France He had affairs with the most famous Parisian actresses courtesans and can can dancers He spoke French more elegantly than English He was the first ever guest to climb the Eiffel Tower with Gustave Eiffel in defiance of an official English ban on his visit He turned his French seduction skills into the diplomatic prowess that sealed the Entente Cordiale A quintessentially English king Pas du tout Stephen Clarke argues that as Dirty Bertie Edward learned all the essentials in life from the French Merde in Europe Stephen Clarke, 2016-05-05

One Brit in Brussels Two French Women And a whole lot of merde The hilarious new novel from Stephen Clarke bestselling author of *A Year in the Merde* and *A Thousand Years of Annoying the French* Does Brussels really want to outlaw bingo bagpipes and smoky bacon crisps Are eurocrats trying to rename the English Channel And can the ink in euro notes really make men impotent No Well not exactly But it is true that the EU is a seriously flawed institution And it s about to become even more so as Englishman Paul West goes to Brussels to work for a French MEP and gets an insider s view of what really goes on in the massive madhouse that is the EU Parliament As Britain prepares to vote whether it stays in or exits the EU Paul gets the chance to influence the result of the referendum He has to decide better the devil you know Or bring on the Brexit It s a decision that could cost him a lot more than his euro paycheck **The French Language Self-taught** Alfred Sardou, 1881
