Brandenburg, PhD,2014-11-19 New proof of a nuclear catastrophe on Mars In an epic story of discovery strong evidence is presented for a dead civilization on Mars and the shocking reason for its demise an ancient planetary scale nuclear massacre leaving isotopic traces of vast explosions that endure to our present age The story told by a wide range of Mars data is now clear Mars was once Earth like in climate with an ocean and rivers and for a long period became home to both plant and animal life including a humanoid civilization Then for unfathomable reasons a massive thermo nuclear explosion ravaged the

centers of the Martian civilization and destroyed the biosphere of the planet But the story does not end there This tragedy may explain Fermi s Paradox the fact that the cosmos seemingly so fertile and with so many planets suitable for life is as silent as a graveyard We must immediately send astronauts to Mars to maximize our knowledge of what happened there and learn how to avoid Mars fate Includes an 8 page color section      What The Prophet Ether Couldn t Tell Us: Book 2 of 3 Jim Hendleman,2021-04-13 BACK COVER The sequel to the Jaredite s Civilization What the Prophet Ether couldn t Tell Us is finally out Book III to shortly follow Book II tells of the life and times of the Jaredites the greatest civilization to have ever lived on Planet Earth It details their earliest beginnings and enumerates some of their many achievements and accomplishments It is first mentioned within the Book of Mormon in Ether 1 42 44 Ether was later directed by God to remove everything about them save for their earliest beginnings at the Tower of Babel in Iraq and a few brief tales of their spiritual trials and wars up to their final Civil War Mainstream Archaeology refuses to address this civilization because it would reveal Archaeology s canards about evolution and their false narrative about the Origin of Man The Jaredites settled and colonized South and North America Lemuria Antarctica The British Isles and most of western Europe plus the lands of China and India For nearly 2 530 years they maintained a world wide civilization My research has uncovered many details of Jaredite life and their physical characteristics that the prophet Ether was not allowed to tell us They built all of Egypt Their Hindu colony fought at least two internal nuclear wars They colonized throughout our entire Solar System most moons and all the planets have their cities mainly covered by 7 mile high glass domes except Jupiter and Saturn These two planets each have possible Star War size moons that could be artificial space stations Mars used to be a moon to its now exploded primary which is now the Asteroid Belt Their Martian cities are so immense that New York City and Shanghai combined wouldn t be considered a nickel in a handful of change in comparison to them Jaredite leftovers are all over Earth if one knows when to look for them Book III details a few of their many wars as well as their final Civil War the first year or two which were nuclear Through their longevity they were able to develop their physics to the point to where they could control the weather as well as to weaponize its component parts And their final long prophesied death      **The Ancient Alien Theory: Part Six** C.R.
