Internet sites television shows and from listening to many very popular midnight radio talk shows **THE MIND, BODY, SPIRIT, And STORYTELLING** Hakeem R. Jelani,2023-05-23 For a controversial yet refreshing perspective this book you are holding right now is one that will give you a salient insight into the author s discourse with a new subjective viewpoint regarding the Anunnaki ancient world Their significant deeds and contributions to humanity Which syncs very nicely with the modern ancient astronauts hypothesis Events that are largely associated with the Old Testament Bible Genesis narrative are inextricably linked back to Anunnaki as Those who from Heaven came down to Earth were a fifty man crew under command of the Anunnaki Royal Prince Enki Ea From his home planet Nibiru the eponymous God of creation imbued Kemetic spiritual science philosophy to the African Pharaohs dynasties of Egyptians Mithrum Its speculation and bold assumptions will brighten up your vision as you discover what has long been hidden by the elites who promulgate mendacious truthiness and storytelling as the vicar s of god on Earth Reading this book gives you this powerful insight from a mind body and spirit perspective You discover a different view of the Holy Old Testament Bible Genesis narrative and storytelling Hakeem invites readers to reexamine the Bible myth as a dichotomy between the significant transition into the Western New Testament Christian Church religion of western Europe and the African Egyptian consciousness of spiritual science precepts The Kemetic ankh life became the Christian cross death Each represents important symbolism Whereas the former was plagiarized and replaced and incorporated into the Roman Catholic New Testament Christian Bible religion and canons as the doctrine of theology It s a great story that postulates an assertion that calls one to reexamine the Bible book of genesis Which the Hebrew and Greek Septuagint Bible scribes removed acknowledge to conceal gods Anunnaki identity of the gods The truth about the elite Royals pantheon of alien gods as Anunnaki Anu Enlil and Enki as Those who from the Heavens came down The ancient account pertaining to the Sumerian Bible Genesis is the original codex of historical manuscript religious described rituals and rites which was the hidden books of sacred knowledge and wisdom taught in the halls of the mystery schools by the ancient Egyptian Priesthood This book imparts his speculative unvarnished anecdotal details about Genesis from a different perspective The Biblical history of Genesis as it should be taught Not like the Christian Catholic Protestant and Baptist religions teach the gospels of the Christian savior of the crucified Jesus Christ as the human savior or of the crucified Jesus Christ of heaven Not like the Christian Catholic Protestant and Baptist religions of blind faith But in its purest form of theology that is primarily the Gospels of death salvation and the resurrection after the end of Jesus Christ s crucifixion by the Roman Albeit speculative its conjecture dovetails nicely with attributions described in the Old Testament Bible god corresponds precisely to Enki Ea deeds This book is complete speculation with emphasis on the Bible book of Genesis Hakeem boldly conflated the creator of the homo sapien sapiens with Enki who was a brilliant scientist and chief medical doctor Which means that he was exceptionally qualified to genetically fuse his biological DNA chromosome code by genetic manipulation of an African female mitochondrial DNA as described in the Old Testament Genesis narrative tale

Which raises curious questions as to why the book of Genesis accounts can be examined with great skepticism and a misdirection play because much of the factual information about the Genesis of history was either burned by invading armed forces omitted the rulers suppressed by the Church or destroyed in order to control the narrative of historical evidence He pointed to Enki's process concerning an African female's mitochondrial DNA biological chromosome genetic codes manipulated and used to fashion Adam men as his Hebrew ancestral Royal bloodline It's a fictionalized story written to make people think about this with intellectual intuition logic and reason *The Lizard People Don't Want You to Read This* Robert Spinelli, 2025-09-30 Conspiracy theories and popular culture have long been intertwined As the most visible and effective form of communication mass media holds a tremendous ability to transmit ideas to wide swaths of eager minds With their implicit sense of drama intrigue and complexity conspiracy theories propagate themselves via dynamic characters and themes that resonate with the audience's inherent fears and hopes This essay collection analyzes the causes and effects of wide scale misinformation perpetuated by mass media channels It offers a critical examination of how conspiracy theories are portrayed across a range of media from film and literature to digital platforms Drawing from diverse academic backgrounds and research methodologies the essays explore not only how these narratives are constructed and circulated but also their broader cultural and societal implications *Area 53* Rik de Mora, 2024-12-06 Have you ever wondered if an alien UFO really crashed at Roswell Do you suspect that its advanced technology has been reverse engineered giving rise to the out of this world innovations we see today What about the crew Did any survive the crash Were they truly aliens or could they have been something entirely different perhaps the subjects of the ultimate black op You've always known that the government has been covering up the truth haven't you Just as you've realized that the story has been kept secret all this time for a reason But are you certain you know what that reason is Maybe it's time to think again In *Area 53* you'll be invited to critically re-assess all those conspiracy theories that have been the subject of countless books and TV programs over the years With a fresh perspective and eye opening revelations this book will challenge your beliefs and make you question everything you thought you knew about the Roswell incident and its aftermath *Fallen Race: The Inheritance* Melissa Saulnier, 2018-12-12 Kaira Munroe a New York Journalist for East Coast Traveler arrives at Meadow Manor to attend her grandmother's Wake and a major announcement regarding forbidden history the unveiling of a family secret that will change the face of her view of the Vatican and the world forever As the Wake begins Father Murphy introduces Alex Mirabelli a Jesuit Priest and Astronomer Kaira finds she is captivated as she awaits the unveiling of her grandmother's secret which Kaira is beginning to realize will be more controversial than she could have dreamed The beautiful wake is suddenly disrupted and the revealing of the last wish of Kaira's grandmother Victoria teeters on the brink of being lost forever Facing imminent danger from an invisible secret Order who think nothing of murder Kaira is forced into a desperate escape With her is Jonathan Bell her high school sweetheart Together Kaira and Jonathan flee on a perilous quest to unlock the ancient
