Williams, 2016-08-11 The year is 1939 Germany led by Adolf Hitler has invaded Poland The world is about to enter into the biggest and most terrible war in history But from the depths of despair rose some very courageous selfless individuals such as Douglas Bader Leonard Bud Lomell and Joan Daphne Pearson who risked their lives for the sakes of others in need often for no gain and with no recognition Here are some of their incredible stories *Voices of Snipers* John Walter, 2022-05-30 Based on an incredible breadth of first hand testimony this is a unique collection of eyewitness accounts from World War I and II John Walter draws on meticulous research and the reminiscences of more than fifty snipers tracing their journeys from recruitment and selection through training combat and its aftermath to reveal a surprising commonality of experience even across nationalities Laying bare the triumphs and brutalities of sniping the personalities and psychologies of those who found themselves doing it and considering the immediate implications on both the sniper and the wider theatre of war this is a fascinating detailed insight into frontline combat and the experience of sharpshooting in its historical context The book is appended with the complete diary of Russian sniper Roza Shanina who is still celebrated today for her remarkable shooting accuracy and astonishing bravery Her diary offers a rare insight into the complexities of what it was to be both a sniper and a woman on the frontline Snipers at War John Walter, 2017-05-30 Snipers at War is a detailed history and analysis of the
