Duncan,1989-09-01 This book promotes the use of reference materials by offering simple guidance to the often baffling subject of how to use reference tools The worksheets can be completed with minimal assistance from the teacher but students will require access to the reference books presented The intriguing subjects on the worksheets were chosen to challenge the imagination and lead to further independent study The study skills presented here will also help students proceed toward more efficient and productive work habits **Eliot's Dark Angel** Ronald Schuchard,2001 Schuchard s critical study shows how Eliot s personal voice works through the sordid the bawdy the blasphemous and the horrific to create a moral world and the only theory of moral criticism in English literature The book also erodes conventional attitudes toward Eliot s intellectual and spiritual development **A Poet Apart** Clinton B.
