Analytical Vs Argumentative Research Paper:

A Rhetorical Analysis of the Five Paragraph Essay Juluis Nang Kum, 2023-01-25 This groundbreaking secondary school textbook analyses the rhetorical nature of the Five Paragraph Essay and the structure of examination essay questions. It provides students with an insightful and a comprehensive picture of the five paragraph essay. The book is divided into six chapters. Chapter one focuses on the origin of the genre of essay and chapter two gives a description of the five paragraph essay. The remaining chapters analyse the introduction section, the body section, the conclusion section, and essay questions of the five paragraph essay and beyond. The book would be appropriate as a training tool for the writing skills of many students. We hope that many secondary school students would find the book very vital for their essay writing exercises and other related fields.

Media Research and Research Paper Writing Mr. Rohit Manglik, 2023-11-23 Teaches methods of media research and academic writing for scholarly publishing. Handbook of Research Methodology 9781545703403, This comprehensive Handbook is aimed at both academic researchers and practitioners in the field of research. The book's 8 chapters provide in-depth coverage of research methods based on the revised syllabus of various universities, especially considering the students of under graduate, post graduate, and doctorate level. This book is a product of extensive literature survey made by the authors. The authors have made sincere efforts to write the book in simple language. The book comprises all the aspects according to new syllabus of PCI and APJ Abdul Kalam Technical University Lucknow. Though this book is intended for the use of pharmacy students of any level, yet it can also be useful to students of applied fields and medical students. The book deals with interdisciplinary fields such as finding research problems, writing research proposals, obtaining funds for research, selecting research designs, searching the literature, and review collection of data and analysis, preparation of thesis, writing research papers for journals, citation and listing of references, preparation of visual materials, oral and poster presentation in conferences, minutes of meetings, and ethical issues in research. At the end of every chapter, and book, some questions related to chapter have been mentioned for the support of students to understand the subject. Valuable suggestions for the improvement of this book are most welcome.
