Anatomy Of The Spirit Quotes:

You Are a Frequency Debbie Anne Sellwood, 2024-03-29 A transformation in human consciousness is taking place And it s generating a growing interest in how subtle elements of the human constitution play a part in the maintenance of our health and wellbeing You Are a Frequency introduces a new paradigm for health and healing based on the whole person not the physical body on which traditional medicine focuses In this book Debbie Sellwood describes the human being s various energy systems indicating that everything animal vegetable and mineral has its own unique vibration She explains how these energy bodies influence our health and wellbeing that the physical body is a medium for the consciousness of the energy bodies You Are a Frequency explains that how we perceive and react to life events determine what experiences we attract into our lives including health Our reactions also impact the frequency of our vibrations and by raising our vibrations we become more empowered able to take responsibility for ourselves It is the author s belief that understanding ourselves as energetic beings will ultimately inspire a future health paradigm and lead to the transformation of the medical system This book will appeal to the increasing number of people who are aware of a spiritual component to their existence who want to understand who they really are and their potential at a more holistic level The times in which we live are causing us to acknowledge that there is more to life and to ourselves than meets the eye you are more than you think *Fear Not Mystery*

Aukje Kapteyn, 2023-10-23 Spiritual paths are rarely a straight line Fear Not Mystery is an absorbing memoir describing the author s passage of reconciling her religious upbringing with forging her own spiritual path The consequence of growing up amidst a strict structural religious environment with the loss of her own spiritual awareness form the backdrop of her search for authenticity and connection Aukje Kapteyn shares her insights from her life s work her immersive experiences in the natural world and the body which heightened her sense of oneness with all and seeing the Divine in all things Wise and relatable the stories of loss and alienation awe and mystery found in this book reveal the universal experience of inner wisdom letting go of the illusion of control and surrendering to the grace and freedom of spirit that is our birthright **12**

Steps of Self-Leadership Doug Lester, Cheryl Lester, 2016-01-12 Self leadership is about realizing the power and potential that is in you and everyone you meet The world needs you now in your imperfection and in the midst of your formative processes You do make a difference The important question is What kind of difference do you make You are about to set out on an exciting exploration of your inner world The 12 Steps of Self Leadership is designed to help you identify and overcome the beliefs and behaviours that are holding you back clarify and leverage your strengths and natural giftings increase your Difference Making Quotient live and lead on purpose This transformational guide is relevant at any stage of your life or leadership journey and will help you increase your awareness and effectiveness in life work and relationships By fully engaging in the 12 Steps of Self Leadership you will dramatically increase your Difference Making Quotient and your ability to lead Self and others **Anatomy of Spirituality: Portrait of the Soul** Chander Behl, 2015-04-27 The domain of

spirituality separated from its theological overburden believes in the existence of a spiritual self presumed to be distinctly separate from the psychological self The spiritual eternal self also known as the soul or spirit sometimes supported by an overarching Spirit is asserted to be operating behind the ephemeral self This book takes a contrarian stance it argues that the premise of the soul concept is obtained through the magic of language maintained through the marvel of the brain s biochemistry and sustained through the mirage of the psychological juggernauts of the brain The magic the marvel and the mirage together bring about subtle shifts as the linguistic brain suppresses many psychological details habitually applies mental templates such as inversions and dichotomies and enhances its language by coining religious and spiritual metaphors The consequence of these changes is that the usual flickering self begins to be impressed by itself believing it is buttressed by something transcendental and eternal within the soul or the spirit The self although indoctrinated during its formative years also begins to assimilate and accept the opinion that the overwhelming weight of religious doctrines and dogmas the overburden signifies as the legitimate proof for the eternal soul

On Interpretation Andrew D. Weiner, Leonard V. Kaplan, 2002 This title looks at past post structuralist theory to re examine methods of textual interpretation developed in past millennia to understand sacred philosophical cultural legal literary and artistic texts

Interactions of Land, Ocean and Humans Chris Maser, 2014-10-14 Written by Chris Maser one of the architects of the sustainability movement Interactions of Land Ocean and Humans A Global Perspective explores a critical number of the myriad aspects that comprise the great reciprocal feedback loops between the mountain peaks the deep sea and everywhere in between Maser s exploration of these connections g
