Editor & Publisher Market Guide, 2004 Corporate Social Responsibility in the Global Business World Asli Yüksel Mermod, Samuel O. Idowu, 2013-08-29 This book provides an overview of the application of Corporate Social Responsibility in businesses and corporations around the world Primarily based on real cases it focuses on different approaches to CSR from a global perspective It provides a critique of the wrong practices often employed even by multinational organizations and highlights the resultant negative effects On the other hand the book demonstrates good examples that can help multinationals or even entire countries to achieve both a better reputation and

increased profitability CSR in the Global Business World is a rich resource of illustrative cases serving both as a basis for ongoing research as well as for teaching purposes at the business school level Intermediate Accounting Donald E. Kieso, Jerry J. Weygandt, Terry D. Warfield, Laura D. Wiley, 2024-12-17 Intermediate Accounting continues to be the gold standard when it comes to helping students connect the what how and why of accounting Through strategic content updates and the integration of a clear student friendly pedagogy the 19th Edition offers a refreshed modern approach designed to spark effective learning and inspire the next generation of accounting professionals With this new edition the authors have focused on enhancing the readability and accessibility of the text while also ensuring the inclusion of cutting edge topics Conversations on ESG Crypto assets and emerging technologies like AI have been added to drive student engagement and increase the connection between concepts learned in class and their relevance to the industry today To help students move beyond rote memorization and into a deeper understanding of course concepts Intermediate Accounting integrates practice opportunities at the point of learning The end of chapter materials feature a wealth of high quality assessment questions as well including brief exercises exercises analysis problems short answer questions and Multiple choice questions These problems are scaffolded in difficulty to better support student learning and often involve the application of key concepts into real world scenarios Students will also have the chance to work through various hands on activities including Critical Thinking Cases Excel Templates and Analytics in Action problems all within the chapter context These applications help students develop a deeper understanding of course material while building confidence in their critical thinking and decision making skills **Finding, Training, and Keeping Great Service Employees 101** Richard D. WEYGANDT KIESO (JERRY J.. WARFIELD, TERRY D.), Jerry J. Weygandt, Terry D. Warfield, 2024-10-06 **Periods Gone Public** Jennifer Weiss-Wolf, 2017-10-10 The first book to explore menstruation in the current cultural and political landscape and to investigate the new wave of period activism taking the world by storm After centuries of being shrouded in taboo and superstition periods have gone mainstream Seemingly overnight a new high profile movement has emerged one dedicated to bold activism creative product innovation and smart policy advocacy to address the centrality of menstruation in relation to core issues of gender equality and equity In Periods Gone Public Jennifer Weiss Wolf the woman Bustle dubbed one of the nation s badass menstrual activists explores why periods have become a prominent political cause From eliminating the tampon tax to enacting new laws ensuring access to affordable safe products menstruation is no longer something to whisper about Weiss Wolf shares her firsthand account in the fight for period equity and introduces readers to the leaders pioneers

and everyday people who are making change happen From societal attitudes of periods throughout history in the United States and around the world to grassroots activism and product innovation Weiss Wolf challenges readers to face stigma head on and elevate an agenda that recognizes both the power and the absolute normalcy of menstruation **It's Hard Enough, Let Me Help You** Ray Rhodes,2023-07-21 For those who genuinely desire more from life this book is for you Doesn't living paycheck to paycheck become old A budget must be followed strictly It is not however the only stage in developing financial literacy You don't have to be hurting financially or live paycheck to paycheck to benefit from this book There is always opportunity for growth and time that needs to be made aside to guarantee that your financial proficiency is retained The small adjustments you make on a day to day basis as you go from paycheck to paycheck can and will eventually pay off handsomely I won't become wealthy because of this book But I know it can help you and that's all I want to do It's hard enough let me help you **Employers' Economics versus Employees' Economy** John F. M. McDermott,2017-01-23 This book argues that economic activity in the public sphere now underwrites private corporations and rejects rigid adherence to traditional economic theories that no longer apply Adam Smith's widely used merchant's model assumes that most investment is private when in fact research demonstrates that public investment in the workforce through education and training far outweighs the private sector and does not account for the growing presence of consensual pricing the diversification of modern businesses or the increasing internal authoritarianism of globalizing companies With de facto public support for these adaptations undermining the universally presumed economic model private corporations are able to increase their profits while misrepresenting the investment of their own global labor forces This book suggests an economy of laws solution that balances the needed degree of central investment planning with the continuation of our pluralist economy of largely autonomous firms principally by extending the full rights of citizens into the workplace itself
