Bellini, 2022-04-07 The title of the book *The X Manual* is taken from the word exousia from the subtitle It is the Greek word for authority The word is used throughout the New Testament For our purposes it is used to express the divine authority or right to cast out demons I have given you authority exousia to trample on snakes and scorpions and to overcome all the power of the enemy nothing will harm you Luke 10:19 NIV Jesus gives believers authority to cast out demons This book is about spiritual authority over evil *The X Manual* is a practical how to handbook for clergy and laity on deliverance and exorcism One reason I wrote the book is because so few understand and/or operate effectively in deliverance ministry Nowhere is the church more inadequate or excessive than in deliverance ministry *The X Manual* contains specific time tested biblical instructions on selecting and training a deliverance team pre deliverance work the deliverance session post deliverance work and other useful tools like the C1-13 instrument that helps determine if one needs

deliverance Deliverance is essential to the church s New Testament healing and evangelism ministry It is time for the church to walk in the authority and power that Christ gave us to set the captives free **The Power of Truth in Perilous Times**

Marcus E. Drake,2024-09-25 Real Hope in the Midst of a Culture Gone Awry Yes we live in this kind of culture and world However it is clear in the Bible that the more we pursue the knowledge of God as defined and described in Scripture and the more we are devoted to him the more he will work in us and through us during the perilous times in which we live Therefore in thinking about the extraordinary impact biblical truth can have on our society this book focuses on three vitally important areas in the Bible how God reveals his existence through nature and his Word how he discloses his character through his attributes and promises and how he calls his people to seek the knowledge of himself through the fear of the Lord and the bearing of his image Thus the purpose of this book is to lead believers into a deeper understanding of what God is like a deeper understanding of what he has promised to those who know him and a deeper understanding of the unshakable hope and strong encouragement we have in God s Word as we live in a confused and deteriorating culture Rather than simply decrying the devastating changes in our nation and world this book clearly proclaims the hope that is ours in the very nature and character of God himself the identity and security believers have in Christ and the biblical guidance we need in order to be salt and light in our generation A God centered truth loving Christ exalting approach to life changes everything

Akinbowale Isaac Adewumi,2019-05-27 THOSE who pray know that prayer gets answered by God In the ecological culture of prayer and its sublime gestational realm spiritual phenomena metamorphose into tangible physical realities as a well

sculpted script in its gamut of performance delivery Divinity rules in the affairs of men on this side of the divide depending on how well guided prayer pundits are This book PREVAILING PRAYERS OF INTERCESSION AND SUPPLICATION GUIDES sets out to sensitize and equip readers by giving a sense of proper direction through a biblical predisposition to the fact that an unanswered prayer is never God's desire Prayers channeled through the holy vessels of God are honored by God Hence Psalms 66:18 says If I regard iniquity in my heart the Lord will not hear me There are several kinds of prayer but a prayer of intercession involves standing in the gap as a bridge for others welfare to turn things around and sustain positive changes It redirects the vicissitudes of life and makes living much better for both the prospects or targets of prayer and its subjects who can spare time to be with God without selfishness and bitterness Intercessory prayer moves mountains removes barriers breaks yokes or chains lifts burdens rolls away sorrows gives victory in every battle of life provides calmness in crisis and eases perplexing situations confronting believers and the world itself in its socio economic and political landscapes In the same breath through prayers of supplication we receive assurance protection authority and dominion It reveals our dependence on God takes us to the realm of the supernatural and moves God to act on our behalves In these last days believers have to be guided to repair the altar of prayer and get acquainted with God more than ever before according to Job 22:21-30 Many saints of old left us their footprints in the ministry of intercession and supplication among whom are Abraham Moses Elijah and a host of others They were all successful in their time If only we too would consecrate and commit ourselves to the ministry of intercession and supplication we will succeed and make enviable marks in our churches homes environment and nations More importantly we must believe in the power of intercession in order to activate it operate in it practice it and seek God on behalf of others Premised on the foregoing our prayers must be fervent effectual and importunate if we would to get things done and have results We ourselves must be sold out to Jesus and develop a loving beauty of spirit for other people as we engage in prayer without ceasing With our spirit given up to God in intercession there is hope for our Churches nations and ministries Ultimately our rewards shall be great from the Good Lord Who does not owe anyone
