Simonne Horwitz

16 Nursing Intake At Baragwanath Hospital:

Government Annual Report of the Republic of Venda Venda (South Africa),1982 *Baragwanath Hospital, Soweto*
Simonne Horwitz,2013-09-01 Baragwanath Hospital Soweto illustrates how this rapidly growing underfunded but surprisingly effective institution found the niche that allowed it to exist to provide medical care to a massive patient body and at times even to flourish in the apartheid state The book offers new ways of exploring the history of apartheid apartheid medicine and health care The long history of Chris Hani Baragwanath Hospital its full current name or Bara as it s popularly known has been shaped by a complex set of conditions Established in the early 1940s Bara stands on land purchased by the Cornish immigrant John Albert Baragwanath in the late nineteenth century He set up a refreshment post trading store and hotel on the site in what is now Soweto which was a one day journey by ox wagon from Johannesburg The hotel became affectionately known as Baragwanath Place the surname is Welsh from bara meaning bread and gwenith meaning wheat The land was then bought by Corner House Mining Group and later taken over by Crown Mines Ltd but was never mined The British government bought the land in the early 1940s to build a military hospital but by 1947 Baragwanath ceased to operate as a military hospital and under the auspices of the Transvaal Provincial Administration a civilian hospital was opened with 480 beds Patients were transferred from the non European wing of the Johannesburg General Hospital in the white area of Johannesburg Links were immediately forged with the University of the Witwatersrand and Bara would over time become one of its largest teaching centres This link brought medical students and their teachers into direct contact with apartheid in the medical sphere This book will contribute to studies of the history of apartheid that have begun to provide a more nuanced account of its workings The history of Baragwanath and of the doctors and nurses who worked there tells us much about apartheid ideology and practice as well as resistance to it in the realm of health care **South African Digest** ,1977 *Hospital Literature Index* ,1987 *Manual of Community Nursing and Communicable Diseases* Marie E. Vlok,1996-01-28 This edition written as South Africa moves from expensive curative health care to a more people focused primary health care system highlights transitional structures and bridges the gap between past and present Part One focuses on the Government of National Unity and population development programmes emphasising the role of community nurses in the primary health care system Subsequent sections cover factors playing an important role in community nursing including housing urbanisation and malnutrition In accordance with the National Health care Plan for South Africa prominence is given to issues such as health education and maternal and child health care The section on communicable diseases has been updated and takes into account changes in legislation and the latest statistical information Primary health care problems at community level are covered in depth Students and practitioners will benefit from the wealth of information in this new edition **Cumulated Index Medicus** ,1992 *Cumulative Index of Hospital Literature* Library of the American Hospital Association, Asa S. Bacon Memorial,1986 *Femina* ,2005 **Current Bibliography of Epidemiology** ,1969 Monthly
