1996 Mitsubishi Lancer:

Mitsubishi Lancer Evo Brian Long, 2006 The definitive international history of one of the world's most successful rally cars. Covers every Lancer model including all special editions and Dodge Colt Plymouth Valiant Eagle Proton and Hyundai variants from 1973 to date. Includes a Foreword by Shinichi Kurihara Mitsubishi's Evo team leader **Japanese Foreign Investments, 1970-1998** Dipak R. Basu, Victoria Miroshnik, 2000 Drawing on numerous Japanese and non-Japanese primary and secondary sources, this highly informative book analyzes all aspects, both domestic and international, of foreign direct investment made by Japan's multinational corporations in Asia, the European Union, and the U.S. It covers the critical period from 1970, the point at which Japan's economy reached a level of global importance, through 1998, the nadir of Japan's economic woes. The book offers numerous perspectives to explain the changing characteristics of Japan's FDI practices over the period. The text is well supported by some 50 figures and data tables compiled from both Japanese government ministries and multinational corporations. **The Crash Palace** Andrew Wedderburn, 2021-01-12 SHORTLISTED FOR THE RELIT 2022 NOVEL AWARD A joy ride set on a crash course with the past, Audrey Cole has always loved to drive. Anytime, anywhere, any car: a questionable rustbucket, a family sedan, the SUV she was paid to drive around the oil fields. From the second she learned to drive, she's always found a way to hit the road. Years ago, when she abandoned her oil field job, she found herself chauffeuring around the Lever Men, a B-list band relegated to playing empty dive bars in far-flung towns. That's how she found herself at the Crash Palace, an isolated lodge outside the big city where people pay to party in the wilderness. And now, one night while her young daughter is asleep at home, Audrey is struck by that old urge and finds herself testing the doors of parked cars in her neighbourhood. Before she knows it, she's headed north in the dead of winter to the now abandoned Crash Palace in a stolen car, unable to stop herself from confronting her past. The Crash Palace is a funny, moving, and surprising novel by the author of the Amazon First Novel Award-nominated *The Milk Chicken Bomb*. Audrey is unlike any character you've met before, and you'll love being along for the ride. **The Complete Book of the World Rally Championship** Henry Hope-Frost, John Davenport, 2004 For 30 years, some of the most talented and bravest drivers have battled across the continents of the world to claim what is arguably motorsport's toughest prize: the World Rally Championship. Now, a multi-million-dollar global technology battle and terrestrial television phenomenon played out over the frozen wastes of Finland, the dusty plains of Australia, and the sun-kissed mountain roads of Corsica, the WRC has reached its 30th birthday. This book celebrates that important milestone and paints an exhaustively detailed picture of the people and personalities who have shaped this great sport. The Complete Book of the World Rally Champions provides a biographical account of the 65 men who have won at least one World Championship Rally since 1973. The biographies are compiled by the sport's leading writers and historians and complemented by stunning photography. The book includes a detailed and accurate statistical career record of each driver, plus highlights of all the significant cars. *Britain's Winning Formula* M. Beck-Burridge, J. Walton, 1999-11-18
