Shackelford,2021-08-04 The examination

of personality and individual differences is a major field of research in the modern discipline of psychology. Concerned with the ways humans develop an organised set of characteristics to shape themselves and the world around them, it is a study of how people come to be different and similar to others on both an individual and a cultural level. The SAGE Handbook of Personality and Individual Difference is the broadest and most comprehensive overview of the field to date. With outstanding contributions from leading scholars across the world, this is an invaluable resource for researchers and graduate students. Its three volumes cover all of the central concepts, domains and debates of this globally expanding discipline, including the core theoretical perspectives, research strategies as well as the origins, applications and measurement of personality and individual difference.

Handbook of Behavioral Criminology Vincent B. Van Hasselt, Michael L. Bourke, 2018-02-10. This multidisciplinary volume assembles current findings on violent crime, behavioral, biological and sociological perspectives on its causes and effective methods of intervention and prevention. Noted experts across diverse fields apply a behavioral criminology lens to examine crimes committed by minors, extremely violent offenses, sexual offending, violence in families, violence in high risk settings and crimes of recent and emerging interest. The work of mental health practitioners and researchers is shown informing law enforcement response to crime in interrogation, investigative analysis, hostage negotiations and other core strategies. In addition, chapters pay special attention to criminal activities that violate traditional geographic boundaries, from cyberstalking to sex trafficking to international terrorism. Among the topics in the Handbook: Dyadic conceptualization, measurement and analysis of family violence; School bullying and cyberbullying prevalence; characteristics, outcomes and prevention; A cultural and psychological perspective on mass murder; Young people displaying problematic sexual behavior; the research and their words; Child physical abuse and neglect; Criminal interviewing and interrogation in serious crime investigations; Violence in correctional settings; Foundations of threat assessment and management. The Handbook of Behavioral Criminology is a meticulous resource for researchers in criminology, psychology, sociology and related fields. It also informs developers of crime prevention programs and practitioners assessing and intervening with criminal clients and in correctional facilities.

Transnational Landscapes and Postmodern Poetics Asma Hichri, Samira Mechri, 2017-11-06. This book moves beyond conventional conceptions of space and place to explore how the spatial imagination has informed our postmodern mapping of literature, culture, history, geography and politics. In this volume, scholars from different academic fields contest new territories for critical expression, venturing into a geocritical discussion of notions of identity, borders, territory, cognitive geographies, glocal cultural mobility.

gendered spaces post colonial cartographies and spaces of resistance These brilliant discussions of the postmodern dialectics of space and place invite a reappraisal of the value of space in our social political and historical realities thus extending the geographical imagination beyond its physical and territorial manifestations and investigating its hitherto uncharted spiritual psychic emotional literary and symbolic terrains Bringing together theoretical and critical contributions in the fields of culture history politics and literature this engaging work invites readers to think geocritically about the significance of space and place in the postmodern age It represents essential reading for students critics and scholars from various academic fields and disciplines including history geography cultural studies anthropology political science literature and critical theory
