The Scourge of Terrorism from the Middle Ages to the Twenty-First Century Marian Leighton, 2023-08-01. Terrorism in each phase of its development. It provides an historical journey across the terrorist landscape and offers insights and analyses of the successive challenges that terrorists have posed. The narrative shifts from the Assassins of medieval times to the nihilists of Tsarist Russia to the left wing Marxist oriented terrorist organizations of the Cold War era to the more recent Islamist based groups including their respective supporters and enablers: the Palestinians, Russia, and the Soviet bloc, and Iran. More than 20 years have elapsed since the terrorist attacks on the World Trade Center and the Pentagon. A new generation has grown up with little or no knowledge of these horrific events and the warning signs that preceded them. Moreover, the Covid-19 pandemic, unprecedented political polarization, the growing focus on climate change and social justice, and most recently the war in Ukraine have relegated the threat of terrorism to the back burner of U.S. national priorities. But Americans must remain vigilant for danger signs that could portend a new terrorist strike. A valuable resource for both specialists and general readers. *The Scourge of Terrorism* also posits that counterterrorism in the post-9/11 and post-Afghanistan era requires new strategies to supplant the primarily military approach of the past. WORDS OF PRAISE: *The Scourge of Terrorism* is a timely reminder that politically and religiously motivated acts of violence have deep roots in history and will remain a permanent factor in international affairs. While motives and targets shift over time, innocents who suffer are always the victims. The author makes a valuable contribution by discussing new strategies for understanding and countering terrorist threats in the future. The book is highly recommended for laymen and experts alike. Benjamin Fischer, former Chief Historian of the CIA. Marian Leighton's new book on terrorism is a must-read for the counterterrorism community. Her book will help this community better understand root causes of terrorism and identify warning signs of political violence. Her book is also a persuasive counterpoint for those ill-advised foreign policymakers who keep telling us all to pivot away from global terrorism and focus instead on China and Russia. Dr. Leif Rosenberger was a former counterterrorism official at the US Defense Intelligence Agency (DIA) and is currently a governance advisor in the Peacekeeping and Stability Operations Institute (PKSOI) at the US Army War College. Throughout human history, groups of individuals have been subjected to violence from competing forces, whether in war or in more limited, even controlled, assaults currently termed terrorism. Marian Leighton

with decades of experience as an intelligence community analyst follows the development of terrorism from its roots as a localized attempt to harass a neighboring tribe or community to its current version as an international force capable of utilizing improvements in weaponry that enhance the effect such ventures have on their victims While flying airliners into civilian buildings can be more dramatic and take many more lives than would butchering a local tribe the immediate result of the attack may not always be more effective in striking at the emotional heart of the target group In examining the progression of terrorism through the ages Dr Leighton offers a closer examination of its impact and potential in this more mobile and technologically sophisticated era Richard R Valcourt Editor in Chief Emeritus International Journal of Intelligence and CounterIntelligence A remarkably comprehensive study packed with new information and brimming with the wise insights of an intelligence practitioner Every national security official should read it Toby Harnden author of First Casualty The Untold Story of the CIA Mission to Avenge 9 11 *Entrepreneurship For Dummies* Kathleen Allen,2023-01-12 The perfect resource for your journey to start a business *Entrepreneurship For Dummies* is the essential guide to becoming your own boss and a successful entrepreneur We make it simple to learn every step of the process Identify an opportunity learn your customers needs test your product protect your intellectual property secure funding and get ready for that all important launch In classic Dummies style this book is packed with practical information and useful advice all in a fun and easy to follow format Take fear out of the entrepreneurship equation and build the confidence you need to make your fantastic business idea take flight Get up to date on the latest lingo new ideas for raising money and the latest ways to do business in the digital age Understand the process of starting a business from beginning to end Complete the necessary planning and meet legal requirements without the headache Get expert tips and tricks on funding your idea and bringing your product or service to market Build the foundation you need to keep your business thriving and growing *Entrepreneurship For Dummies* supports you as you travel along the road to success **Someone, Somewhere** Daniel Leydon,2015-08-31 Denise Niecey Lawson is an aspiring author spelling bee champ full time fourth grader and part time detective She and her father Dennis a retired San Francisco police captain form the brain trust of D D Investigations the world s best father and daughter detective team When Niecey and her best friend Mimi stumble upon a boy who has been smuggled over the border from Mexico they are horrified to learn that the dreamy Domingo and his mother have been sold to a sweatshop operating inside an El Paso mansion Domingo has managed to escape and Niecey and Mimi agree to help him free his mom but are sworn to secrecy Together the kids uncover an evil operation run by some nefarious one of Niecey s favorite words characters Despite their formidable wits and courage the junior sleuths eventually get in over their heads They seek the help of Captain Lawson and D D Investigations rides to the rescue when the takedown goes awry *Someone Somewhere* is a high spirited adventure that also addresses some deeper issues While adept at inspiring her friends to confront and overcome their fears and doubts Denise struggles with her own personal demons after an encounter with a bully The mission provides a true test for the private eye
