America,1992-10-01 *China Inc.* Ted C. Fishman,2012-12-11 What will happen when China can manufacture nearly everything that the United States and Europe can at one third the cost It s a ground shaking question and when it comes to the West s future economic health not everyone will want to hear the answer The burgeoning output of China s vast low cost factories and the swelling appetite of its 1.3 billion consumers both of which are driven by infusions of foreign capital and technological know how are rapidly altering global commerce So are China s newfound freedoms national ambitions and growing prestige In CHINA INC veteran journalist and former commodities trader Ted Fishman shows that economics is just where the story begins Fishman paints a vivid picture of how the mega trends radiating out of China are shaping the day to day lives of people everywhere Drawing on hundreds of interviews with Chinese European and American workers managers and executives Fishman also tells how China will force all of us to make big changes in how we think about ourselves as consumers workers citizens and even as parents The result is a richly engaging work of penetrating reportage and analysis

China, Inc. Ted Fishman,2005-02-28 The updated edition of journalist Ted C Fishman s bestselling explanation of how

China is rapidly becoming a global industrial superpower and how the American economy is challenged by this new reality China today is visible everywhere in the news in the economic pressures battering the globe in our workplaces and in every trip to the store Provocative timely and essential and updated with new statistics and information this dramatic account of China's growing dominance as an industrial superpower by journalist Ted C Fishman explains how the profound shift in the world economic order has occurred and why it already affects us all How has an enormous country once hobbled by poverty and Communist ideology come to be the supercharged center of global capitalism What does it mean that China now grows three times faster than the United States Why do nearly all of the world's biggest companies have large operations in China What does the corporate march into China mean for workers left behind in America Europe and the rest of the world Meanwhile what makes China's emerging corporations so dangerously competitive What will happen when China manufactures nearly everything computers cars jumbo jets and pharmaceuticals that the United States and Europe can at perhaps half the cost How do these developments reach around the world and straight into all of our lives These are ground shaking questions and China Inc provides answers Veteran journalist Ted C Fishman shows how China will force all of us to make big changes in how we think about ourselves as consumers workers citizens and even as parents The result is a richly engaging work of penetrating up to the minute reportage and brilliant analysis that will forever change how readers think about America's future
