Ancient Slavery And The Ideal Of Man

Robin Osborne

Ancient Slavery And The Ideal Of Man:

Ancient Slavery and the Ideal of Man Joseph Vogt, 1974 **Ancient Slavery and the Ideal of Man** Joseph Vogt, 1975 This collection of essays represents Vogt's personal contribution to the collective enterprise the English edition is translated from the second German edition of 1972 which included three additional papers and a supplement bringing his earlier work up to date The distinctive features of Vogt's approach to ancient slavery are his social awareness and sympathetic commitment and his refusal either to ignore or be dominated by the dogmas of the left and the structures of sociology His systematic investigation of ancient slave wars which is the centre of this collection is a reasoned refutation of more extreme Marxist interpretations and a brilliant demonstration that a pragmatic approach to the analysis of a general phenomenon can lead to conclusions as far reaching as any a priori system Other outstanding essays investigate with subtlety and insight the position of slaves in literature and in utopian theory the concept of the slave of God in early Christian thought and the extent to which rigid distinctions between slave and free were eroded by the daily contact between individuals in different social roles and by their inability to forget that both masters and slaves were human beings with personal loyalties and friendships The volume ends with two essays on the interrelationship between ancient and modern attitudes to slavery since the Renaissance

Slaves and Religions in Graeco-Roman Antiquity and Modern Brazil Dick Geary, Stephen Hodgkinson, 2012-03-15 Slaves have never been mere passive victims of slavery Typically they have responded with ingenuity to their violent separation from their native societies using a variety of strategies to create new social networks and cultures Religion has been a major arena for such slave cultural strategies Through participation in religious and ritual activities slaves have generated important elements of identity shared humanity and even resistance within their lives This volume presents papers from a conference of the University of Nottingham's Institute for the Study of Slavery the only UK centre studying its history from antiquity to the present It breaks new ground by juxtaposing slave strategies within the diverse religious cultures of Graeco Roman antiquity and modern Brazil After a wide ranging historiographical survey eleven experts examine how in both societies slave religious activities involved both constraints and opportunities shedding particular new light on the neglected religious strategies of Graeco Roman slaves

Fear of slaves, fear of enslavement in the ancient Mediterranean Anastasia Serghidou, 2007 Les intervenants analysent le couple du maître et de l'esclave au regard des schémas d'autorité et d'obéissance de liberté et de servitude de suprématie et de soumission et les incidences de ces problématiques sur les mouvements du corps social dans l'Antiquité

Slavery in Early Christianity Jennifer A. Glancy, 2002-03-14 Slavery was widespread throughout the Mediterranean lands where Christianity was born and developed Though Christians were both slaves and slaveholders there has been surprisingly little study of what early Christians thought about the realities of slavery How did they reconcile slavery with the Gospel teachings of brotherhood and charity Slaves were considered the sexual property of their owners what was the status within the Church of enslaved women

and young male slaves who were their owners sexual playthings Is there any reason to believe that Christians shied away from the use of corporal punishments so common among ancient slave owners Jennifer A Glancy brings a multilayered approach to these and many other issues offering a comprehensive re examination of the evidence pertaining to slavery in early Christianity Drawing on a wide variety of sources Glancy situates early Christian slavery in its broader cultural setting She argues that scholars have consistently underestimated the pervasive impact of slavery on the institutional structures ideologies and practices of the early churches and of individual Christians The churches she shows grew to maturity with the assumption that slaveholding was the norm and welcomed both slaves and slaveholders as members Glancy draws attention to the importance of the body in the thought and practice of ancient slavery To be a slave was to be a body subject to coercion and violation with no rights to corporeal integrity or privacy Even early Christians who held that true slavery was spiritual in nature relied ultimately on bodily metaphors to express this Slavery Glancy demonstrates was an essential feature of both the physical and metaphysical worlds of early Christianity The first book devoted to the early Christian ideology and practice of slavery this work sheds new light on the world of the ancient Mediterranean and on the development of the early Church

Homosexuality in the Ancient World Wayne R. Dynes, Stephen Donaldson, 1992 This book is a collection of essays focusing on homosexual behavior in Mesopotamia Egypt Ancient Greece and Ancient Rome

Quests for Freedom, Second Edition Michael Welker, 2019-04-02 This book is the result of intensive multiyear international and interdisciplinary cooperation From many perspectives the book's contributors address themes of freedom and slavery self determination and concepts of freedom God given and imprinted freedom freedom as an ethos of belonging and solidarity and relations between freedom human rights and theological orientation

Slavery and Social Death Orlando Patterson, 2018-10-15 Patterson discusses the internal dynamics of slavery in 66 societies over time These include Greece and Rome medieval Europe China Korea the Islamic kingdoms Africa the Caribbean islands and the American South Slavery he argues is a single process of recruitment incorporation on the margin of society and eventual manumission or death

Slavery from Roman Times to the Early Transatlantic Trade William D. Phillips, 1985

Studies in Ancient Greek and Roman Society Robin Osborne, 2004-07-15 This 2004 collection of papers includes some of the most innovative history written about Greece and Rome The volume offers a convenient and enthralling guide to important issues and topics in Greek and Roman history maps the changing interests of ancient historians and raises stimulating questions about historical method The contributors to the volume represent many of the most exciting and influential ancient historians who have been active in the last quarter century An introduction by the editor which places the papers in the wider context of changing interests in Greek and Roman history sets the scene for papers on Greek warfare the regulation and representation of women and the nature and study of homosexual relationships in Athens the relationship between Rome and its empire whether Rome was democratic the ideology of Augustan Rome games and gaming at Rome the lives of slaves the ancient interpretation of dreams the nature of

religious pilgrimage early Christian martyr stories and bandits in the Roman empire

Ancient Slavery And The Ideal Of Man Book Review: Unveiling the Magic of Language
