Angels And Saints And The Rest Of Us:

Angels and Saints and the Rest of Us Melaine Ryther, 2014-10-16 G K Chesterton once said Angels can fly because they take themselves lightly Taking that notion to heart this collection of short articles and essays seeks to inform inspire but also at times amuse Topics range from the light hearted coffee and baseball to the heart wrenching St Edith Stein and St Gianna Beretta Molla And then of course there are the angels Archangels guardian angels angels in disguise and angels loud and proud They are the glue that holds this book of seemingly disparate topics together reminding us on each page they appear that they are our friends our protectors our teachers and our guides Based on the blog of the same name Angels and Saints and the Rest of Us roughly follows a year s worth of Church celebrations with teachings from the saints actions from the angels and a few personal anecdotes from the author All in all an enjoyable reading experience that even an angel would approve of *Throw Open the Door* Marcia Fredline, 2012-11-05 *Throw Open the Door* is a story of ordinary women whom we find being used by God in extraordinary ways The women and men in these stories are examples of everyday saints and angels Women can be encouraged by these stories to open the door for the Lord to come in and help them discover their gifts and potential as part of a greater plan **Angels and Saints** Scott Hahn, 2014-05-27 Angels and saints Catholics tend to think of them as different from the rest of us They re cast in plaster or simpering on a holy card performing miracles with superhero strength or playing a harp in highest heaven Yet they are very near to us in every way In this lively book Scott Hahn dispels the false notions and urban legends people use to keep the saints at a safe distance The truth is that Jesus Christ has united heaven and earth in a close communion Drawing deeply from Scripture Dr Hahn shows that the hosts of heaven surround the earthly Church as a great cloud of witnesses The martyrs cry out from heaven s altar begging for justice on the earth The prayers of the saints and angels rise to God in the Book of Revelation like the sweet aroma of incense Dr Hahn tells the stories of several saints and several angels too in a way that s fresh and new The saints are spiritual giants but with flesh and blood reality They have strong holy ambitions and powerful temptations and opposition that must be overcome Their stories are amazing and yet familiar enough to motivate us to live more beautiful lives In this telling of their story the saints are neither otherworldly nor this worldly They exemplify the integrated life that every Christian is called to live Still their lives are as different from one another as human lives can be Dr Hahn shows the heavenly Church in all its kaleidoscopic diversity from Moses to Mary Augustine to Therese and the first century to the last century Only saints will live in heaven We need to be more like the saints if we want to live in heaven someday Dr Hahn shows us that our heavenly life can begin now It must *The Hymnal Revised and Enlarged* Episcopal Church, Episcopal Church.
